28TH SEPTEMBER 1888, No. 3051 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Account.

READ—the following paper :—

From J. W. RUNDALL, Esq., M.I.C.E., Superintending Engineer, VI Circle, to the Chief Engineer, Public Works Department, dated Trichinopoly, 21st September 1888, No. 1439 T.J.

With reference to G.Os., Nos. 2776 W. and 2786 W., both dated 8th instant, regarding funds required for improvements to Executive Engineer's bungalow at Negapatam and the Huzur treasury at Kokarakulam, I have the honor to request sanction to the following modifications of allotments under Provincial, Original Works, Civil Buildings :—

From	RS.	*To*	RS.
Tanjore Division.		Negapatam Division.	
(1) Tahsildar's office at Kumbakónam. Item No. 19, class A works, budget of 1888-89	1,543	(3) Improvements to Executive Engineer's bungalow at Negapatam (estimate Rs. 976)	976
Madura Division.		Tinnevelly Division.	
(2) Minor original works	233	(4) Providing iron railing to the Huzur treasury at Kokarakulam (estimate Rs. 808)	* 800
Total ...	1,776	Total ...	1,776

* This is the amount applied for by the Executive Engineer.

2. From the budget grant of Rs. 14,991 for the Tahsildar's office at Kumbakónam, Rs. 9,991 have been already proposed to be transferred to certain works in the circle in my No. 1297 T.J., dated 4th instant; as the revised estimate submitted on the 7th December 1887 for the work has not yet been sanctioned, it is considered advisable to transfer a portion of the balance of the grant to works Nos. 3 and 4, for which funds are much needed.

3. As there are no urgent demands for any minor works at present, Rs. 233 from the grant of Rs. 300 for the Madura division can be transferred to meet the balance required for works Nos. 3 and 4.

ORDER—dated 28th September 1888, No. 3051 W., Public Works.

The following transfers of funds are sanctioned :—

Provincial.
Civil Buildings.
Original Works.

From	RS.	*To*	RS.
Tahsildar's office at Kumbakónam ...	1,543	Improvements to the Executive Engineer's bungalow at Negapatam ...	976
Minor works, Madura division ...	233	Providing iron railing to the Huzur treasury at Kokarakulam	800
Total ...	1,776	Total ...	1,776

READ—the following proceedings of the Board of Revenue, dated 17th December 1885, Mis. No. 11195:—

Read—letter from the Collector of Tinnevelly, dated 7th November 1885, No. 577.

Resolution—dated 17th December 1885, Mis. No. 11195.

The plan and estimate for Rs. 2,070, for making additions and alterations to the huzur cutcherry at Kokarakulam, in the Tinnevelly district, are herewith submitted to Government in continuation of Board's proceedings, dated 10th November 1885, Mis. No. 10093, with the request that the necessary funds may be provided in the budget of the Public Works Department. These additions and alterations are necessary to make the treasury-room a strong-room, with reference to G.O., dated 28th April 1882, No. 1055 W., Public Works.

(True Extract.)

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil and Military Works.

ORDER—dated 21st February 1884, No. 483 W., Public Works.

In modification of the practice at present followed with regard to the submission of plans and estimates for buildings required by other departments, the Government direct that the following procedure be invariably adopted in future.

2. Plans and estimates for buildings required by the Revenue Department should be submitted by the Executive Engineer to the Superintending Engineer, who, after scrutiny, will forward them to the Collector of the district for approval and counter-signature. If the Collector be satisfied as to the suitableness of the proposed accommodation, &c., he will transmit the papers through the Board of Revenue to Government in the Revenue Department, by whom, if approved, they will be transferred to the Public Works Department for disposal, after final scrutiny by the Chief Engineer.

3. In the case of plans and estimates for court-houses, the documents will be forwarded by the Superintending Engineer to the District Judge for transmission, through the High Court, to Government in the Judicial Department, and the same principle will be followed with regard to estimates for Registration, Police, Jail, and other Civil Departments. The Superintending Engineer will forward the documents to the Head of the Department concerned, who will submit them to Government in the Department of the Secretariat from which he receives his orders.

4. The course at present adopted with regard to estimates for Military buildings is laid down in G.O. No. 1381 W., dated 14th June 1880, but here also a modification of practice appears desirable. In future such plans and estimates will be forwarded by Superintending Engineers for approval to the General Officer Commanding the District or Division. The General Officer will transmit the papers to the Quartermaster-General, who,* after obtaining the approval of His Excellency the Commander-in-Chief, will submit them direct to Government in the Military Department. After approval in the Military Department they will be transferred to the Public Works Department for disposal, after final scrutiny by the Chief Engineer.

5. It must be understood that these orders apply only to works which are beyond the power of sanction of local authorities, and are not intended to alter the procedure laid down in G.O., No. 3211 W., dated 6th December 1882, with regard to the submission of Local Fund projects.

* NOTE.—In the case of Ordnance, Commissariat or other departmental buildings, the approval of the head of the department should be obtained before the plans and estimates are submitted to His Excellency the Commander-in-Chief.

6. The Secretary, Code Committee, will take the necessary steps for embodying these rules in the Public Works Code, in modification of paragraphs 1168 and 1335.

Resolution of the Government of India in the Department of Finance and Commerce, No. 4028, dated 4th November 1881, recorded with G.O., No. 77 W., dated 11th January 1882, on the subject of strong rooms for the storage of coins.

No. 94.

ORDER—dated 28th April 1882, No. 1055 W., Public Works.

The application of the rules laid down by the Government of India for the storage of coins in strong rooms has led to a proposal for the construction of new Huzur Treasuries throughout the country. While the Government cannot entertain a proposal of this character, it is thought that, with a view to safety, the two following general principles should be put in force in all cases, and the requisite measures will be taken as soon as possible for carrying them into effect :—

(1.) All strong rooms should be so exposed in all their parts to the sentry on duty that no one can enter them without being exposed to view.

(2.) The roofs or ceilings of such rooms should in all cases consist of solid terracing.

Read—the following letter from Lieut.-Colonel J. PENNYCUICK, R.E., Superintending Engineer, VI Circle to the Chief Engineer, Public Works Department, dated Kodaikánal, 6th April 1887, No. 25 T.J. :—

I have the honor to submit, for sanction, an estimate, amounting to Rs. 1,795, for converting the Executive Engineer's office at Negapatam into a dwelling-house.

2. The Executive Engineer's office having been removed to St. Joseph's College buildings, the building previously used as an office, and valued at Rs. 8,500, has become available for occupation. Mr. Manson, the Executive Engineer, has applied for permission to use the building as his residence, but there being no bath-rooms, cook-room, godown or stables it will be necessary for these to be provided, and the present estimate is for their construction.

3. When the proposed improvements are carried out the cost of the building would become Rs. 10,295 and the rent at 6 per cent. ($4\frac{1}{2}$ for interest and $1\frac{1}{2}$ for repairs) will be Rs. 51 per month.

4. The building will be of no use as a dwelling-house unless the out-houses are provided, and as all the public offices are accommodated in the college buildings, it is not likely to be required for public purposes; I therefore recommend that the estimate may be sanctioned for immediate execution.

5. Pending completion of the improvements, I have authorised Mr. Manson, if he thinks proper, to occupy the building at a rent of Rs. 35, making his own arrangements for out-houses.

Order—dated 2nd May 1887, No. 1201 W., Public Works.

The estimate, amounting to Rs. 1,795, for converting the Executive Engineer's office at Negapatam into a dwelling-house, is sanctioned for immediate execution.

2. The Superintending Engineer will apply for the required funds in his statement of demands for incomplete and minor new works.

3. The action of the Superintending Engineer in having authorised the occupation of the building at a monthly rent of Rs. 35 is approved. But it should be understood that the rent after the completion of the improvements will be Rs. 51 per mensem.

4. The sanction accorded in paragraph 1 of these proceedings has been registered as Provincial, No. 12 W. of 1887-88, and classified as Civil Buildings, Original Works.

5. A copy of these proceedings will be forwarded to the Government of India, with reference to paragraph 983 of the Madras Public Works Code.

No. 12127

From
J. W. Rundall Esqre M. I. C. E.
~~The~~ Superintending Engineer,
6th Circle.

To
The Chief Engineer
P. W. D.

Sir,

ENCLOSURES.

I have the honor to state that an Estimate of Rs 976 for improvements to the Executive Engineer's Bungalow at Negapatam has been sanctioned by me under Provincial-Civil Buildings-Original works, and request that the amount may be allotted from the reserve at the disposal of Government.

2. The Building was originally Executive Engineer's office, it was last year converted into a dwelling house, on the Estimate of Rs 1,795, sanctioned in G. O. No 1201 W. dated 2d May /87. This Estimate does not appear to have provided

for

for all improvements necessary to make the building comfortable or suitable as a dwelling-house in every respect.

3. The only rooms available for sitting and sleeping are on the northside; on this side there are no verandahs, and the whole day the sun is on this face and it has the whole force of the North-East Monsoon wind and rain. The windows are iron-barred open windows with batten shutters and during the rains they have to be kept shut leaving the rooms in darkness and without means for ventilation. The construction of a verandah is therefore necessary.

4. The central room upstairs requires windows, there being none at present and consequently the room being useless. Glazed windows are needed to the rooms in lieu of the batten shutters.

6.

Compd
S.A.

3057/5

5. The rent for the building was fixed at Rs 51 per mensem in the G. O. quoted in para 2 of this letter, this will be increased by Rs 7½ when the improvements now proposed are carried out.

Resolution

Submitted to Government with reference to G. O. dated 29th February 1888 No. 1387.

2. From the revised estimate now received, it will be seen that the cost of providing the Huzur Treasury with iron railings amounts to Rs 808. Early sanction is requested for the expenditure of this amount.

Sir,

ENCLOSURES.

With reference to G.O. No 2519 W dated 16th August 1888, I have the honor to state that I have sanctioned the estimate of Rs 808, which accompanied it, for providing iron railing to the Huzur Treasury at Kokarakulam and ordered the Executive Engineer, Tinnevelly Division to put the work in hand soon. I request that the amount of the Estimate may be granted from the reserve at the Disposal of Government.

ENCLOSURES.

Sir,

With reference to G. O. No 2776 W. and 2786 W, both dated 8th Instant, regarding funds required for improvements to Executive Engineer's Bungalow at Negapatam & the Huzur Treasury at Kotkarakulam, I have the honor to request sanction to the following modifications of allotments under Provincial – Original works – Civil Buildings.

From Tanjore Dn	To Negapatam Dn
(1) Tasildar's Office at Kumbakonam – Item No 19, class A works, Budget of 1888-89 – Rs 1543	(2) Improvements to Executive Engineer's Bungalow at Negapatam (Estimate Rs 976) } Rs 976

Madura Dn	Tinnevelly Dn
(2) Minor Original Works — Rs 233	(4) Providing iron railing to the Huzur Treasury at Kockarakulam (Estimate Rs 808) Rs 800x
Total Rs — 1776	Total Rs — 1776

x This is the amount applied for by the Executive Engineer.

2. From the Budget grant of Rs 14991 for the Tahsildar's Office at Kumbakonam, Rs 9991 have been already proposed to be transferred to certain works in the Circle in my No 1297 LJ dated 4th instant; as the revised estimate, submitted on the 7th December 1887, for the work, has not yet been sanctioned, it is considered advisable to transfer a portion of the balance of the grant to works Nos 3 & 4, for which funds are much needed.

3. As there are no urgent demands for any minor works at present, Rs 233 from the grant of Rupees 300 for the Madura Dn can be transferred to meet the balance required for works Nos 3 & 4.

I have the honor to be
