PROCEEDINGS OF THE BOARD OF REVENUE
(LAND REVENUE).

H. S. THOMAS, ESQ., F.L.S., F.Z.S.

THE HON. W. S. WHITESIDE.

READ—the following G.O., dated 2nd November 1887, Mis. No. 6666, Revenue:—

Read—G.O., dated 11th October 1887, No. 6201, Military, on letter from the Quartermaster-General, No. 346-A, dated Ootacamund, 26th September 1887:—

In returning Proceedings of Government, Revenue Department, No. 5199, of the 1st September, received under your Reference Order, No. 5805, of the 22nd instant, I am desired by His Excellency the Commander-in-Chief to say that the proposal to place two companies, Madras Infantry, in the fort having been accepted by Government (Proceedings of Government, No. 5209, of the 25th August 1887), the proposed site cannot now be considered available for a taluk cutcherry.

Order—

Ordered that the foregoing letter from the Quartermaster-General be communicated to the Revenue Department, with reference to paragraph 3 of Proceedings of Government in that Department, No. 5199, dated 1st September 1887.

Read—Proceedings of the Board of Revenue (Land Revenue), dated 26th October 1887, Mis. No. 4048.

Order—dated 2nd November 1887, Mis. No. 6666, Revenue.

The Government observe that the proposal to build a new taluk cutcherry was sanctioned in G.O., dated 7th January 1887, No. 1, as the Board considered that the present building, which the Collector proposed to improve, was wholly unsuited to the requirements of the case. The Board should, therefore, now state definitely whether they withdraw their objections to the Collector's proposal.

(True Extract.)

(Signed) J. F. PRICE,
Ag. Secretary to Government.

To the Commissioners of Land Revenue.

Reference on the above, dated 1st December 1887.

The Collector of North Arcot is requested to forward a plan of the present taluk cutcherry at Vellore showing therein the extension referred to by the Sub-Collector and approved by the Collector in his letter submitted to Government in Board's Proceedings, dated 26th October 1887, No. 4048, and a plan of the Sub-Collector's office.

2. He is also requested to report whether outside the fort any suitable site for a taluk cutcherry other than the site referred to in Board's Proceedings, dated 24th November 1886, No. 2552, is available, and to state whether, in the event of the Sub-Collector's present building being used as an office only, any difficulty is likely to be experienced, either now or later, in finding a suitable residence for this officer.

(Signed) R. S. BENSON,
Acting Secretary.

To the Collector of North Arcot,
with Government Register No. 1908 of 1887, in original, to be returned.

READ—the following letter from W. J. H. LE FANU, Esq., Collector of North Arcot, to the Secretary to the Commissioners of Land Revenue, dated Chittoor, 22nd July 1888, Reference on Gl. Eng. No. 1149 of 1888 :—

In reply to Board's Reference on Government Register No. 1908, dated 1st December 1887, I have the honor to forward, as therein called for, a plan of the present taluk cutcherry at Vellore showing therein the extension proposed by the Sub-Collector, and a plan of the Sub-Collector's office.

2. The Sub-Collector reports that, outside the fort, no suitable site is available for a taluk cutcherry other than the site referred to in Board's Proceedings, dated 24th November 1886, No. 2552, and that no difficulty is likely to be experienced either now or later in finding a suitable residence for the Sub-Collector outside the fort. In both points, I concur with him. The Vellore Treasury has very large transactions and large balances. It would, in my opinion, be always desirable to have it within the limits of the fort.

Reference on the above, dated 31st July 1888.

The Collector is requested to return the Government Order sent to him with the Board's Reference, dated 1st December 1887; a plan of the adjoining open ground should also be submitted at an early date.

(Signed) H. A. SIM,
Acting Secretary.

To the Collector of North Arcot.

READ—the following letter from W. J. H. LE FANU, Esq., Acting Collector of North Arcot, to the Secretary to the Commissioners of Land Revenue, dated Chittoor, 9th August 1888, Reference on Bd. No. 1790 of 1888 :—

Referring to Board's Reference on General Register No. 2469, dated 31st ultimo, I have the honor to forward herewith the Government Order therein called for.

2. A plan of the adjoining open ground called for in the above will be submitted as soon as it is received from the Sub-Collector, who has been called upon to prepare and submit it as early as possible.

RESOLUTION—dated 26th September 1888, No. 828.

The Third Member's Minute will be submitted to Government with reference to G.O., dated 2nd November 1887, Mis. No. 6666.

2. The Board approve of the proposal to turn the Sub-Collector's residence in the fort into a Sub-Collector's office, leaving the Sub-Collector to find a residence outside, and to extend the existing taluk cutcherry, in place of building a new one, *provided* that Government consider it unlikely that more than two companies of Infantry will ever be sent to Vellore.

3. If more troops are sent, the Sub-Collector will then be unable to find accommodation in the cantonment for his private residence.

4. The plans for the extension of the taluk cutcherry will be returned to the Collector with the request that he will take the necessary steps to have the additional space for records and ryots, referred to by the Third Member, provided for in them.

(Signed) H. A. SIM,
Acting Secretary.

To the Secretary to Government, Revenue Department,
with Third Member's Minute.
