dated 2nd April 1889, No. 250, Revenue.

Miscellaneous.

The Government consider that the imports of grain from the Central Provinces should be registered if possible;

lector will be instructed accordingly by telegram.

The Engineer in charge of the works is the best judge whether there is over-
ing. Until he represents that the numbers are too large to be profitably
ed, it is unnecessary to make other provision. With reference to the Board's
s in paragraph 9, it is observed that the Public Works Department are bound to
y only such as are able-bodied and fit to labor. All others for whom labor is
ed should be provided for by the Collector on Civil Agency works as directed in
aph 2 of G.O., dated 19th March 1889, No. 203.

The Engineer in charge of the works should bring to notice the sanitary
ements, and provision will then be made by the Collector. To meet the cost of
al sheds, employment of toties &c., an advance of Rs. 5,000 will be placed at
ollector's disposal in the Financial Department. All such advances should be
ted for in accordance with the rules prescribed in Chapter III of the Famine

The outlay on the Rushikulya and Gopálpur canal works should be classified
"Normal" and "Famine" in the manner laid down in paragraphs 138 and 139
Famine Code; the necessary orders will be issued in the Public Works Depart-

The application for the renewal of the unexpended portion of the grant for
provement of the water-supply will be dealt with in the Local and Municipal
ment.
