Public Works Department.
No 5119 C dated 18th December 1888.

Memorandum

1022

Letter from the Superintending I Circle No 28 G.I. dated 17 October 1888.
Do do II 554 N.I. 24th Sept.
Office Note from the Examiner P.W. Accts. 2607 17 November.
Do do do 2741 12 December.

The Examiner P.W. Accounts having reported that the communication to him of sanctions under G.O. No 1724 W. dated 11th June 1888, has pondered unnecessary the weekly returns of events prescribed by this office, Cir. No 2589 C. dated 4th August 1887, the Chief Engineer directs that these returns be discontinued from 1st January 1889. Superintending and Executive Engineers will however see that events are correctly entered in the monthly salary bill of each office in the place provided on the third page of the form.

2. Reports of assumption and handing over charge of Circle offices will, as at present, be made to the Chief Engineer by letter. To admit of the Service registers in the Chief Engineer's Office being properly maintained, Superintending Engineers will revert to the former practice of notifying in Part II of the Fort St. George Gazette, under their own signatures, all postings and transfers of Upper subordinates within Circles, ordered by them. Circular No 1207 C. dated 16th July 1885 on this subject will therefore be cancelled.

vide para 28
P.W. Code.

3. The Chief Engineer trusts that the discontinuance of the weekly returns will relieve Circle offices sufficiently to admit of their complying without difficulty with G.O. No 1724 W. dated 11th June 1888, and the Examiner's circular letter No 8 C.I. dated 5th July 1888. Applications for additional establishment to carry out the instructions in the G.O. above quoted cannot be considered at present.
