This large file is in
connection with the
proposed legislation on
the subject of Kudli Marumai,
which has now been
abandoned.

Perhaps the file may be
kept in the Madras Office
for the present, as a
record of what was
proposed. 1078

Please examine the
file, & let me know if
there are any papers of
a private character,
which should be destroyed

The Chief Secy requires
urgently the correspondence
which led up to the
abandonment of the
Kudimaram bill
in August 1884 CD 28

In a supplement
to the Fort St George Gazette
of that month containing
a report of the Pres of the
Legislative Council, it
was noted that the
President announced
to the Council the
abandonment of the
Bill. The Chief Secy's
Office cannot
trace the P. L. S. which
led to that result.
We cannot trace
the papers from our
books.

Mr R. Parson
thinks that the case
was in P. W. D. but
I do not think so.

The only kindly
paper is that
Sullivan's minute
objections to
the Bill herewith
sent - It appears
to have been
written after the
bill was sent to
India and on
receipt of India's
reply (not to be
found) it was
probably taken
into consideration.
Saulsanders
note of replies is
also sent.
