NOTES.

REFERENCE TO MADRAS P.W.D. CODE OF 1886.

PARAS. 1136 et seq., AND APPENDIX C.

1. It will be the duty of the officers of the department, on requisition of the local authorities, to provide quarters and all other necessary buildings, to the extent allowed by the regulations, for troops and public military establishments entitled to, and requiring accommodation, and for the families of soldiers on actual service. The executive engineer will arrange for this by allotting public buildings which may be vacant, or which can be vacated, or where no suitable or available public buildings already exist by hiring or otherwise engaging suitable quarters or buildings as may be requisite, to which course the previous sanction of the Government will be obtained when the rent proposed exceeds the authorised scale.

2. Applications for the sanction of the Government to the hiring of quarters for military subordinates when the proposed rent exceeds the authorised scale will be submitted in this form. The sanction, when given, will hold good in Nilgiri division for a period not exceeding twelve months, and in all other divisions for a period not exceeding six months. Executive engineers should endeavour within the period of sanction to provide other quarters at a rent not in excess of the authorised scale; but when this is not practicable, renewed sanction for a further period not exceeding twelve or six months, as the case may be, should be applied for beforehand. Executive engineers should be careful to ascertain the probable length of time for which quarters are likely to be required before entering into any agreement with a landlord.

3. The hiring of houses for military purposes is to be strictly limited to meet the essential requirements, according to the regulations for the accommodation of troops, and for the families of soldiers and for medical and other subordinates authorised to be provided with free quarters and is not to be extended to the provision of offices and such like miscellaneous purposes, unless under the orders of the Government.

4. Should buildings be hired by the military authorities without the intervention of the department and without the sanction of the Government, the Executive engineer will not be at liberty to defray the charge from the funds at his disposal until sanction is obtained.

Application for the sanction of the Government to the hiring of quarters for Military Subordinates when the proposed rent exceeds the authorised scale.

Memo
This application does not appear to be necessary, as sanction has already been accorded to the hiring of a house at Rs. 40 per mensem for Serjt. Malls under memo. 1889. It is stated that Serjt. Malls vacated the cottage on the 28th Oct. 1888 but the present application is from the 12th February 1889 and no information is affixed as to where Serjt. Malls lived in the meanwhile to account for the discrepancy in the date of occupancy in the application.

The Superintending Engineer,

Sir,

In reply to your Endorsement
No. 122 N.D., dated 11th March 1889 on
Chief Engineer's Memorandum 1144c
of 7th instant, I have the honor to
state as follows:-

(1) Welbeck Cottage was first
engaged for Commissariat Sergeant
Mills from 2nd August 1888 to 31st March
1889 at a monthly rental of Rs 40 to which
Government accorded sanction in G.O.,
No 3282 W, dated 15th October 1888.

(2) He lived in it from 2nd Augst
to

to 28th October only and then vacated it being too far from the Commissariat Godown.

(3) Assistant Apothecary Mr. Shunker, who had newly arrived at Wellington on the 24th October 1888, was, at that time, in need of quarters and as the above cottage was found to be convenient for him, it was engaged from 1st November 1888 to 31st March 1889, and sanction of Government to this alteration was applied for in my application No 3855, dated 24th January 1889 and granted in G.O., No 272 W dated 1st February 1889.

(4) I presumed that this latter order cancelled the former one, and that the sanction for Sergeant Drills expired on October 28th, and therefore applied for fresh sanction when it was necessary to hire a house for him again from February 11th to 31st March.

2. With regard to the discrepancy in dates, I beg to enclose for your information extract of para 2 of the Executive Commissariat Officer's No $\frac{S}{25597}$, dated 8th February 1889 to the District Staff Officer, from which you will perceive that Sergeant Drills occupied his own quarters from October 29th to February 11th, so that neither rent nor Compensation were paid to him by this Department for that period.
