22ND APRIL 1889, No. 1074 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

General.
Establishment.

READ—the following paper :—

From Colonel J. PENNYCUICK, R.E., Superintending Engineer, Periyár Project Works, to the Chief Engineer, Public Works Department, dated Periyár, 22nd March 1889, No. 507 P.R.

I have the honor to solicit the sanction of Government to the increase of the pay of the draftsman attached to my office from Rs. 60 to Rs. 80, with effect from the 1st April next. I was under the impression that it had been entered at Rs. 80 in my budget statement for 1889-90, but find that by an oversight this was not done.

2. The work is found to be much heavier and more responsible than I expected when the office was first formed, and the holder should, I think, have the same position as the head draftsman of other Superintending Engineers' offices.

3. The present holder, D. John Pillai, is a man of superior attainments, holding a 1st-class certificate and belonging to the permanent establishment. There is no doubt that he has missed opportunities of promotion on the latter by his employment here.

4. A proposition statement in regular form is enclosed.
