24TH APRIL 1889, No. 1081 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Account.

READ—the following papers:—

From Lieut.-Colonel R. R. E. DRAKE-BROCKMAN, R.E., Superintending Engineer, I Circle, to the Chief Engineer, Public Works Department, dated Dowlaishweram, 19th February 1889, No. 580 V.Z.

In forwarding herewith an extract from the Vizagapatam division officer's letter No. 2099, dated the 12th February 1889, I have the honor to request that, under the circumstances therein stated, you will be so good as to make the following transfer of funds and to show them in the final issue of the Provincial budget for 1889-90:—

From		*To*	
Constructing the Sub-Registrar's office at Bimlipatam	Rs. 2,620	Constructing the Sub-Registrar's office at Chódavaram	Rs. 2,620

2. The division officer will be requested to prepare a fresh estimate for the Chódavaram Sub-Registrar's office according to the standard design sanctioned in G.O., No. 2230 W., dated 21st July 1888, and to submit it for sanction.

ENCLOSURE.

From C. J. USSHER, Esq., Executive Engineer, Vizagapatam division, to the Superintending Engineer, I Circle, dated Waltair, 12th February 1889, No. 2099.

With reference to the grant in the preliminary issue of budget for a Sub-Registrar's office at Bimlipatam (class A works) and of the provision for a similar building at Chódavaram in class B works, I have the honor to inform you that it would be much more convenient if the Chódavaram office was built next official year and the one at Bimlipatam in the following year. Chódavaram is on the road to the Bodderu anicut, which work will require constant supervision next official year, whereas if the office at Bimlipatam is built much of the sub-divisional officer's time will be lost in travelling backwards and forwards, as all his work next year will be to the south of Vizagapatam.
