To His Excellency
The Governor of Fort St. George
May it please Your Excellency 1109

We, the undersigned passed (1888) students of the Engineer Subordinates' Class, undergoing practical instruction in the Govt. Workshops Dowlaishwaram humbly beg leave to bring the following few lines to your Lordship's kind consideration.

We joined the Engineer Subordinates' Class of the Madras College of Engineering in August 1886 under the new rules of the said institution.

Fourteen have passed in the examination held in December 1888 of whom one is a military student. One of the remaining thirteen discontinued undergoing practical course. Consequently twelve

The last set of students under the old rules left the College in June 1887. We the students undergoing practical course are ineligible for employment in the P.W.D. till January 1891. From June 1887 to Jan. 1891 there is an interval of Three years and a half.

We have joined the College with the entire hope of getting employment in the P.W.D. expecting a great number of vacancies in Three years and a half. To our greatest disappointment we

we find in a ...
 26th March 188 that only three out of twelve
 will be appointed Overseers P.W.D after the com-
 pletion of the prescribed practical course.
 For the nine remaining students who have
 had instruction in the College as well as in the P.W.D
 and who have no other go but to serve the Eng^l
 department no provision is made. (108)

Clause 2. art 1 College rule
 "Vacancies in the Overseer grade of the P.W.D shall
 be filled by passed men in the order of merit"
 * * * * *

We, therefore request Your Excellency will take
 Compassion upon us, the poor students who have
 spent four years and a half in a technical -
 institution and who have no prospects in depart^{ment}
 other than the P.W.D and have no employed
 as Overseers P.W.D as vacancies occur

For this act of kindness and favour we
 shall, as in duty bound, ever pray for Your
 Lordship's long life and prosperity.

We beg to remain
 Your Excellency most obedient
 and humble servants
 R. Srinivasakrishna Sengar
 P. M. Swaminatha Sengar
