The appt: of Mr Claude Vincent to act as P.S. to H.E. will make s.p.t. appts up to the 3rd grade admissible. No formal application was made for Mr Vincent's services but as the appt. has been gazetted action may apparently be taken at once. I submit a list of promotions - they should however follow those consequent on Major K's death. No official report of the casualty has been made although ten days have elapsed. A revised copy of the Gradation List will issue at the end of the month and it is therefore advisable to publish the accpg two lists as soon as possible (in next week's Gazette?).
