From J. W. RUNDALL, Esq., M.I.C.E., Superintending Engineer, VI Circle, to the Chief Engineer, Public Works Department, dated Uthamacheri, 25th August 1888, No. 1192 T.J.

As I find it necessary, in connection with the settlement of the affairs of my brother, the late Mr. Charles Rundall, to take leave, I propose to apply for six months' special leave from the end of next month.

2. It is probable that I may wish to retire at the expiration of my leave.

3. If the Government of Madras will, under the terms of the letter from the Government of India printed with G.O. No. 584 W. of the 12th March 1885, be good enough to recommend me for the benefit of the improved pension granted to Civil Engineers, I should be able to retire on the full pension of Rs. 6,000. But unless thus specially recommended, I have not yet served for the ordinary pension of Rs. 5,000 under the Uncovenanted Service Rules. It is, therefore, very important for me to know whether Government will be pleased to recommend the grant of a pension under the new rules if I should want to retire at the end of the leave I am about to apply for.

4. I shall feel much obliged if you will ascertain this point and let me know.

Order—dated 1st September 1888, No. 2721 W., Public Works.

It is observed that in their letter No. 345 G., dated 5th March 1885, the Government of India have ruled that Mr. J. W. From G. H. D. WALKER, Esq., Under-Secretary to the Government of India, Public Works Department (General), to the Secretary to the Government of Bombay, Public Works Department, dated Simla, 19th September 1888, No. 2434 G.

I am directed to acknowledge the receipt of your letter No. 81 E-407, dated 25th February 1888, pointing out that the ruling of the Government of India, as contained in Public Works Department No. 403 G., dated 18th idem, to the effect that sub. *pro tem.* promotions are inadmissible in the room of an officer holding sub. *pro tem.* rank proceeding on furlough, is opposed to that of the Pay and Acting Allowance Code which treats sub. *pro tem.* promotions as conferring the status of a substantive instead of an acting officer. In reply, I am directed to state that, after giving the question due consideration, the Government of India is now pleased to rule, in supersession of all previous orders on the subject, that sub. *pro tem.* rank will only last during *actual* incumbency. An officer, therefore, holding sub. *pro tem.* rank proceeding on furlough will revert to his substantive rank and another officer may be promoted in his place.

From G. H. D. WALKER, Esq., Under-Secretary to the Government of India, Public Works Department (General), to the Secretary to the Government of Madras, Public Works Department, dated Calcutta, 30th November 1888, No. 3056 G.

In reply to your letter No. 2860 W., dated the 13th September 1888, requesting the orders of the Government of India as to the date from which the sanction of Colonel Pennycuick's appointment is to take effect, and whether the sanction increases the general establishment of Superintending Engineers from 6 to 7, I am directed to state that, as Colonel Pennycuick is a special Superintending Engineer appointed for five years, he must be considered as outside the ordinary strength of the establishment and appointed to a special temporary post. Under these circumstances, sub. *pro tem.* promotions may be made in his room. His own promotion will be regulated as if he were on the regular Cadre of the Madras establishment. The arrangement will have effect from the date on which Colonel Pennycuick took up special duty and was not available for the ordinary work of a Superintending Engineer.

2. I am to add that sub. *pro tem.* promotions in the executive grades can also be made consequent on Colonel Pennycuick's special duty.

Order—dated 15th December 1888, No. 3925 W., Public Works.

Communicated to the Examiner, Public Works Accounts, with reference to his office note No. 2200, dated 5th September 1888.

having failed to qualify) has already been appointed in the arrangements vice Col: Mead from the 23rd March. In the ordinary course Mr Ashpitel should revert from the 1st April as Mr. Wybrow's leave ceased on that date but there is a vacancy from that date vice Mr Hand-cock proceeding on furlough. It is not therefore necessary to gazette Mr Ashpitel's reversion & promotion as the same date applies to both.

The list of reversions on acct of Sub Condr. Heinig's return is ready & will be subd. as soon as S.E. III replies to the memo: enquiring the date on which Heinig took charge.

I have gone carefully into the subject of these promotions, and I think Mr Vincent is not entitled to promotion as he is not actually on duty in the P.W.D.

If the promotion was permanent there would be no question; as Mr Vincent is senior to Mr Garrett
