The Director General of Telegraphs.
The Superintendent of Works, Simla Imperial Circle.

The following is forwarded to the Local Governments, Administrations and Officers noted on the margin, for information and guidance.

By Order,

G. H. Walker

Under Secretary.

No. 3520, dated Simla, the 30th June 1888.

RESOLUTION—By the Government of India, Department of Finance and Commerce.

Read again—

Resolution by the Government of India in the Department of Finance and Commerce, No. 2833, dated the 30th May 1888, promulgating revised rules for the calculation of progressive salaries.

RESOLUTION.—In the Resolution read in the preamble, it was stated that the new rules regarding progressive salaries were designed to work out to a result not materially different from that given by the existing rules. With the view of obviating any hardship to officers, which might otherwise have been caused by the change of rules, existing salaries were continued, and Local Governments were empowered to make certain further concessions. It was not, however, intended that an officer, by combining the operation of the old rules with that of the new, should obtain a higher salary than would be admissible either if the old rules had continued in operation, or if the increments of his present salary had from the beginning been calculated by the new rules. The Governor General in Council, therefore, directs that this principle shall be applied in deciding questions arising out of the application of the new rules.

ORDER.—Ordered, that this Resolution be communicated to the several Departments of the Government of India; the several Local Governments; the several Accountants-General; and the Heads of Departments under this Department.

12TH JULY 1888, No. 544, FINANCIAL.

GOVERNMENT OF MADRAS.
 FINANCIAL DEPARTMENT.

READ—the following paper :—

Resolution of the Government of India, Department of Finance and Commerce
 (Pay and Allowances—Progressive Salaries), dated Simla, 30th June 1888,
 No. 3520.

Read again—

Resolution by the Government of India, in the Department of Finance and Commerce,
 No. 2833, dated the 30th May 1888, promulgating Revised Rules for the calcula-
 tion of progressive salaries.

Resolution—

In the resolution read in the preamble, it was stated that the new rules regarding
 progressive salaries were designed to work out to a result not materially different from
 that given by the existing rules. With the view of obviating any hardship to officers,
 which might otherwise have been caused by the change of rules, existing salaries
 were continued, and Local Governments were empowered to make certain further
 concessions. It was not, however, intended that an officer, by combining the
 operation of the old rules with that of the new, should obtain a higher salary than
 would be admissible either if the old rules had continued in operation, or if the
 increments of his present salary had from the beginning been calculated by the new
 rules. The Governor-General in Council, therefore, directs that this principle shall
 be applied in deciding questions arising out of the application of the new rules.

Order—

Ordered, that this Resolution be communicated to the several departments of the
 Government of India; the several Local Governments; the several Accountants-
 General; and the Heads of Departments under this department.

Circular No. VIII Public Works.
GOVERNMENT OF INDIA.
PUBLIC WORKS DEPARTMENT.
GENERAL.

Calcutta, the 5th April 1889.

Application of Revised Progressive Pay Rules.

The Governments of Madras, Bombay, Bengal, the North Western Provinces and Oudh and the Punjab.
The Chief Commissioners of the Central Provinces, Burma, Assam and Coorg.
The Resident at Hyderabad.
The Agents to the Governor General for Central India, Rajputana and Baluchistan.
The Accountant General, Public Works Department.
The Director General of Railways.
The Consulting Engineers to the Government of India for Railways, Calcutta, Central Division and Lucknow.
The Director General of Telegraphs.

The following is forwarded to the Local Governments, Administrations and Officers noted on the margin for information, in continuation of Circular No. 6 P. W., dated the 31st July 1888.

G. H. Lal
Under Secretary to the Govt. India.

No. 5177, dated 21st September 1888.

RESOLUTION.—By the Government of India, Department of Finance and Commerce.
Read again the undermentioned orders regarding the manner in which the revised Progressive Pay Rules should be applied:—

Resolution in this Department, No. 2833, dated the 30th May 1888, in paragraph 4 of which it was stated—
“These new rules will take effect from the 31st May 1888. Officers who are on that date in receipt of salaries greater than the amounts fixed by these rules, will continue to draw these salaries until they are entitled under the terms of these rules to an increase. And if a Local Government finds that, in consequence of exceptional circumstances, any officer suffers hardship in the form of prolonged postponement of the increment to his present salary which would fall to him under existing rules, it may declare that the next increment of salary under the rules now published shall be brought forward to such date as it may consider just.”
Resolution in this Department, No. 3520, dated the 30th June 1888, which decided that no officer should, by combining the operation of the old rules with that of the new, obtain a higher salary than would be admissible either if the old rules had continued in operation, or if the increments of his present salary had from the beginning been calculated by the new rules.

Read also—
Office Memorandum from the Revenue and Agricultural Department, No. 835 G. 90-3, dated the 19th July 1888, regarding the increment of substantive pay which should be allowed to Mr. Heysham, a clerk in that Department.

RESOLUTION.—In connection with this case, it has been considered desirable to further explain the scope and object of the orders read in the preamble. Paragraph 4 of the Resolution of 31st May 1888 relates to salaries in progressive appointments in the technical sense in which that term is used in the Financial Codes; in other words, it contemplates cases in which section 45 of the new rules has to be applied. In such cases the new rules should be held to be applicable with effect from the 31st May 1888, subject to the provision in the second sentence of the paragraph; and, as explained in the Resolution of the 30th June 1888, the salary should be calculated as if the new rules had been in force from the commencement of the officiating appointment.

2. In the case, however, of officers holding on the date of the promulgation of the new rules appointments on progressive pay *substantively*, it was not intended to make any change in the terms of their tenure of those appointments. Such officers will continue to draw increments in those appointments exactly as if the old rules had continued in force.
3. Mr. Heysham's case may be disposed of accordingly.

ORDER.—Ordered, that this Resolution be communicated to the several Departments of the Government of India; to the several Local Governments and Administrations; to the several Accountants General and Comptrollers; and to the several Heads of Departments under this Department.
