Despatch No. 27 (Public Works), dated 17th July 1885, from Government of India to Secretary of State for India.

Resolution—

In the circular of 10th February 1885, referred to in the preamble, it was ruled that no dwelling-houses should be purchased or constructed by local Governments and Administrations save under some general or special order of the Government of India. From subsequent representations made by local Governments in connection with this subject, it appears that the scope of the order is not clearly understood.

The Governor-General in Council is now pleased to declare that the provisions of the circular in question are not applicable to the following cases:—

(i) cases in which it is the recognised duty or established custom of the Government to provide quarters at Government expense;

(ii) cases in which residences are provided for officers on the ground that their duties compel them to occupy a building or part of a group of buildings erected for some special purpose, such as a jail, a police thannah, a school, a factory, a mint, &c.;

(iii) cases in which it is necessary to provide residences in parts of the country where no civil station or cantonment exists, and where a lengthened term of residence would render camp accommodation unsuitable, *e.g.*, buildings along lines of roads, railways or canals, for the housing of officials employed on their construction or maintenance.

2. Where a civil station or cantonment is already in existence, or in the process of formation, it is considered desirable that all proposals to construct residences for officials, not entitled to quarters under the foregoing rules, should be submitted to the Supreme Government for approval.

1 1

3. It is not possible to define, more exactly than in a general way, the particular cases in which a reference to the Government of India is unnecessary; but it is hoped that, in all cases where local Governments or Administrations have reasonable doubts as to the operations of the circular, reference may be made to the Supreme Government for opinion.

4. In all cases where residences may be constructed on the condition of the occupiers paying a reasonable rent, capital and revenue accounts of such buildings should be kept and should be detailed in appendix B of the Annual Finance Accounts, as required by Code, chapter XIV, paragraph 180, modified by S.O. No. 83 of 1884.

Order—

The Government of Madras. • • •

Ordered that the foregoing be communicated to the local Governments and Administrations and officers noted in the margin for information and guidance.

Ordered, also, that a copy be forwarded to the Finance and Home Departments for information.
