6TH MAY 1889, No. 1194 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Military Works.

READ—again the following paper:—

G.O., dated 9th March 1889, No. 712 W., Public Works.

From Colonel H. SMALLEY, R.E., Superintending Engineer, III Circle, to the Chief Engineer, Public Works Department, dated Bellary, 31st January 1889, No. 1411.

I have the honor to request to be informed whether the provision of Rs. 15,000 made in the preliminary issue of the Imperial Budget Military Works for 1889-90, item 6, class B works, is intended for constructing six double quarters for the Staff Sergeants attached to the Ordnance Department, for which an estimate of Rs. 42,420 was sanctioned in G.O., No. 1650 W., dated 18th June 1887, or for quarters for Warrant and Non-Commissioned officers, Bellary Arsenal, for which an estimate has only lately been received in this office. The Government Order quoted in the budget appertains to the former work.

No. 576 C.

Referred to the Director-General of Ordnance in India with advertence to his letter No. 35, dated 4th December 1888.

(Signed) H. R. MEAD, Colonel, R.E.,
Ag. Secretary to Govt., P.W.D.
6th February 1889.

From Colonel R. F. LOWIS, Director-General of Ordnance in India, to the Secretary to the Government of Madras, Public Works Department, dated Calcutta, 27th February 1889, No. 524.

Returned * as requested.

* No. 576 C., dated 6th February 1889, with enclosures. 2. The sum of Rs. 15,000 allotted in Madras G.O., No. 3945 W., Public Works, dated 18th December 1888, to "quarters for Warrant and Non-Commissioned officers, Bellary Arsenal," is intended for the construction of the quarters for Non-Commissioned officers sanctioned in G.O., No. 1650 W., Public Works, dated 18th June 1887. The establishment, however, of Non-Commissioned officers for the arsenal named amounts to only 10 according to the scale approved by the Government of India in August 1887. It is therefore solicited that the number of double quarters sanctioned in June 1887 may be reduced from 6 to 5. The total cost will thus be about Rs. 35,350 instead of Rs. 42,420.

3. The question of providing quarters for Warrant officers (for whom it was originally proposed to adapt a building formerly used as Garrison hospital and subsequently as High school) must be held in abeyance until funds are available for the purpose. None can be spared during 1889-90.

Order—dated 9th March 1889, No. 712 W., Public Works.

Communicated to the Superintending Engineer, III Circle, with reference to his letter No. 1411, dated 31st January 1889.

2. The Superintending Engineer will report whether the reduction in the number of double quarters will render a revised estimate necessary.

READ—also the following paper:—

From Colonel H. SMALLEY, R.E., Superintending Engineer, III Circle, to the Chief Engineer, Public Works Department, dated Bellary, 11th April 1889, No. 125.

Referring to G.O., No. 712 W., dated 9th March 1889, I have the honor to report that all that is necessary at present is to reduce the total amount of the estimate for constructing six double quarters for the Staff Sergeants of the Ordnance Department at Bellary by one-sixth, i.e., from Rs. 42,420 to Rs. 35,350, and to accord sanction to the latter amount in supersession of the estimate sanctioned in G.O., No. 1650 W., dated 18th June 1887.

ORDER—dated 6th May 1889, No. 1194 W., Public Works.

In G.O., No. 1650 W., dated 18th June 1887, an estimate of Rs. 42,420 was sanctioned for the construction of six double quarters for the Staff Sergeants attached to the Ordnance Department at Bellary. As the Director-General of Ordnance now intimates that quarters are required for only ten Non-Commissioned officers, the estimate sanctioned for the work will be proportionately reduced to Rs. 35,350.
