Resolution—

With reference to the Resolution quoted above regarding the retirement of officers of the Military Works and Public Works Departments who, at the age of 50 years, have not attained the rank of Superintending Engineer, the Governor-General in Council is pleased to decide that the rule is not to be applied absolutely, as in the case of superannuations, under the 55 years' rule. Each case which may come under the operation of the Resolution of 26th September 1887 must be specially dealt with on its own merits, and with due consideration of any special circumstances, other than inefficiency or misconduct, which may have tended to retard the advancement in the department of the officer concerned. Relaxation of the rule may then be permitted if it appears that an officer has been prevented by causes, unconnected with any default on his part, from being promoted to the Superintending Engineer class before attaining the age of 50 years.
