GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Military Works.

Read—the following papers :—

From J. G. D. PARTRIDGE, Esq., Chairman, Municipal Council, Trichinopoly, to the Chief Secretary to Government, Local and Municipal Department (through the Collector of Trichinopoly), dated Trichinopoly, 15th December 1888, No. 74.

I have the honor to submit herewith an extract from the Proceedings of the Municipal Council, dated the 8th instant, about the unused military buildings at Putur (known as barracks) which were handed over to the council for the purposes of a market (*vide* G.O., Mis. No. 603 M., dated 24th June 1887).

2. It will be seen from the extract that the buildings being situated in an out-of-the-way locality will not make a good market and will not be so much resorted to by the public as to make it a source of profit to the municipality. Under these circumstances, the council have been compelled to change their previous intention of converting the said buildings into a market.

3. But as the rooms can be utilised as private dwelling-houses and as the council hope to realize about Rs. 300 annually by so doing in the shape of rent, I have the honor to request that the Government may be pleased to allow the council to use the buildings in the manner desired.

Enclosure.

Extract from the Proceedings of the Municipal Council for the town of Trichinopoly, passed at the Meeting held on 8th December 1888.

* * * *

Para. 4. Read letter No. 194 from the Municipal Overseer forwarding an estimate and plan for converting the Putur barracks into a general market, with the endorsement of the Chairman thereon.

The council are of opinion that the building if converted into a market will not be used by the public and would not be a source of profit to the municipality. They therefore wish to utilise the building for private dwelling-houses, and resolve to request the sanction of Government for doing so.

* * * *

(Signed) J. G. D. PARTRIDGE,
Chairman.

B.R. No. 685.

Forwarded.

2. The Acting Collector sees no objection to the proposal on the condition that the buildings should be at the disposal of Government if required and should be kept in proper repair. The council will hardly gain anything by the step if this condition is insisted on.

(Signed) W. A. WILLOCK,
Acting Collector.

Memorandum in the Public Works Department, dated 25th January 1889, No. 388 C.

From W. HUGHES, Esq., Superintending Engineer, VI Circle, to the Chief Engineer, Public Works Department, dated Trichinopoly, 20th April 1889, No. 64 T.C.

With reference to your memorandum No. 388 C., dated 25th January 1889, I have the honor to forward a site-plan of the old barracks at Putur. The Collector considers that land to a width of 50 feet in front and 25 feet in rear may be sold with the building; with this I agree. The length of the building is 230½ feet and 25½ in width; allowing 10 feet at ends the site will measure 250 feet × 100 feet or ·57 acre.

ORDER—dated 9th May 1889, No. 1228 W., Public Works.

The Government by Order No. 1492 W., dated 3rd June 1887, made over as a free gift to the Municipal Council, Trichinopoly, an unused military building at Putur on the understanding that it would be converted into a public market. This condition, however, has not been fulfilled, and the council now ask for permission to utilise the building as private dwellings from which a rental of Rs. 300 per annum is expected.

2. The Government did not contemplate the use of the building for any but public purposes and, in the circumstances, it appears advisable to dispose of it as originally ordered.*

3. The Superintending Engineer will now arrange to sell the building and site (as marked on the survey) to the best advantage.

The building referred to was made over to the Trichinopoly Municipality as a free gift, vide G.O. No. 1492 of 3.6.87, but that was because it was intended to convert it into a place of public utility, viz a market.

It is now desired to convert the building into private dwelling houses, from which the municipality will derive a revenue.

As however the building is of no use to the Govt. (its demolition had formerly been sanctioned) the municipality might perhaps be told to do as they like with it.
