No. 182 KS 1230

Superintending Engineer's Office,

II CIRCLE, *Panarrum*

Dated 29th April 1889.

From,

J. Hannan Esquire,

Superintending Engineer,

II Circle.

To,

The Chief Engineer,
Public Works Department,
Madras.

Sir,

I have the honor to enquire if my name as also Colonel Smalley's has been entered in the List of Executive Engineers, 1st Grade who are considered fit for the post of Superintending Engineer and which has to be submitted annually to the Government of India.

2. The recent supersession of Colonel Smalley by Colonel Brockman R.E., Col. Smith R.E., & Major McNeil Campbell R.E. and his promotion over myself in the Gazette of the 2nd April 1889 appears to be rather an anomalous procedure, as if his name be down in the above
List

1230

List, he would I presume be promoted in due course, whereas if it find no place there his retention of his post, to say nothing of his promotion would appear to be not in conformity with the instructions of the Government of India regarding appointments to the Superintending Engineers class, which it is presumed apply equally to temporary appointments.

3. I believe the List above referred to is not a private and Confidential document and that therefore, there will be no objection to give me the information asked for.

4. In conclusion, I beg to say that I claim to supersede Col. Smalley on the same grounds on which he has been superseded by the three Officers above mentioned.

I have the honor to be,
Sir,
Your most Obedt Servt.

J. Hamar
