Proceedings of the Board of Revenue (Land Revenue), dated 18th March 1889, Mis. No. 1629.

The Hon. J. Grose, M.A.

From H. M. WINTERBOTHAM, Esq., Collector of Malabar, to the Secretary to the Commissioners of Land Revenue, dated Calicut, 9th March 1889, No. 669-P.

In submitting herewith a draft notification under Act X of 1870 in respect of the site required for the construction of the transport lines for the Commissariat Department at Calicut, I have the honor to request that Government may be moved to sanction the acquisition, and to cause the notification to be published in the *Fort St. George Gazette* at an early date.

2. The site, which is a little over an acre in extent, comprises plots belonging to four different janmis whose names are shown in the draft notification. Two of the janmis (Nos. 1 and 4) have agreed to part with their portion of the land for the compensation estimated by the Revenue Department. The Zamorin Maha Raja Bahadur, the proprietor of item No. 2, is unwilling to part with the janmam title of the land to Government because it is temple property, but proposes to let it on a fair annual rent on condition of the revenue (11 annas 9 pies) on the plot being remitted. I have informed him that if the whole site belonged to him, I would gladly comply with his wishes, but that, as the site belongs to four janmis, and as the part owned by the Devaswam is very small (valued at Rs. 41-7-5), the arrangement proposed cannot be recommended. The Zamorin's objection merely arises from an apprehension lest he should incur the displeasure of the deity, and, if he is compelled to part with the land, it will not be his fault, and his fears will be removed. The owner of item No. 3 demands an unreasonably high sum for his plot.

3. Under such circumstances it is advisable, with a view to securing an indefeasible title, to acquire the whole site under the Act.

4. The Executive Engineer represents that the site is urgently required, and as all persons interested consent to Government taking possession at once, I have authorized him to begin work on his sanctioned estimate. The amount of compensation will certainly not exceed the allotment.
