3. In any case Code para
1209 seems to require modification.
If the compensation (if any) pay-
able in cases (1) and (2) above
is payable by the P.W. Department,
it should be clearly stated, but if
it is not payable by the P.W. Depart-
ment, then the words "during general
or sick leave in India, one fourth
the value of quarters will be
forfeited, and " should apparently
be omitted, the rule in the P.W. Code
being confined to the statement that
the retention of the quarters cannot
be claimed during such leave.

Quarters.

I am directed to acknowledge receipt of your endorsement No. 7638, dated the 16th November 1888, forwarding correspondence relative to the amount of compensation to be passed to medical warrant officers on general or sick leave in India under the furlough rules of 1875, and submitting for the orders of the Government of India a proposal to add to Para. 17, Clause 83, India Army Circulars, 1884, a note making it clear that during periods of absence on such leave the salary to be allowed shall include full compensation for quarters if free quarters are not provided.

2. In reply I am to state, for the information of the Governor in Council, that the Government of India have been pleased to decide that medical warrant officers on general or sick leave in India and drawing full pay are entitled to any compensation for quarters they were drawing at the time of going on leave. It is, however, considered unnecessary to make the proposed addition to the paragraph of the India Army Circular quoted above.
