GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

Read—the following papers :—

From T. M. HORSFALL, Esq., Registrar of the High Court of Judicature, Appellate Side, Madras, to the Chief Secretary to Government, dated Madras, 27th March 1889, No. 1011.

With reference to G.O., dated 18th August 1888, No. 2545 W., I am directed to submit, for the sanction of Government, the accompanying plan and estimates, amounting to Rs. 15,930, for constructing a District Munsif's Court at Manjeri (Ernád) in the district of South Malabar, and to request that the necessary funds may be allotted for carrying out the work.

R. No. 415.

Approved and transferred to the Public Works Department with the exception of the item of Rs. 716 for four iron record racks which will be struck out.

(By order.)

Ootacamund,
17th April 1889.

(Signed) A. G. CARDEW,
Under-Secretary.

Note by the Chief Engineer, General Buildings and Roads Branch.

The estimate of Rs. 15,930 for constructing a District Munsif's Court at Ernád has been reduced to Rs. 15,087 by the omission of the following items :—

	RS.
Iron record racks	716
Carriage of do.	50
10 per cent. on Rs. 766	77
Total ...	843

2. The attention of the Executive Engineer, West Coast division, should be called to the excessive percentage allowed for contingencies and petty supervision in the estimate, and he should be instructed to carry out the orders under which the measurements of doors and windows are to be taken from inside to inside of frames.

(Signed) R. R. E. DRAKE-BROCKMAN, Lt.-Col., R.E.,
Ag. Chief Engineer, P.W.D.

7th May 1889.

Order—dated 13th May 1889, No. 1267 W., Public Works.

The estimate, amounting to Rs. 15,087, as altered by the Chief Engineer for constructing a District Munsif's Court at Manjeri (Ernád) in the South Malabar district, is sanctioned for execution when funds are available.

2. The attention of the Superintending Engineer, IV Circle, is directed to the note by the Chief Engineer above recorded.

3. This sanction has been registered as Provincial No. 12 W. of 1889-90 and classified as Civil Buildings, Original Works.

(True Extract.)

NOTE OF REMARKS.

The accompanying site plan and estimate for constructing a District Munsif's court at Manjary (Ernad) in the South-Malabar District, have been submitted for sanction in accordance with G.O. No. 2545 W. of 18th August 1888.

The amount of the estimate has been reduced from Rs 15,930, to Rs 15,089, owing to the item of Rs 716 for 4 iron record racks having been struck out in the Judicial Depth Vide endorsement R. No. 1. of 17/4/89. - The estimate should further be reduced

7

7

P.L. 52/4 6/5

reduced by ~~Rs~~ 50 on account of the provision for carriage & packing from Madras to Munjery & also a deduction of ~~Rs~~ $\overset{77}{84}$ made on account of Contingencies & Superintendence. The estimate will therefore now stand at ~~Rs~~ ×15,080.

It is stated that the existing Munsif's Court at Munjery is unsafe from the effect of age, rot and white ants. The whole eastern wall of the front Verandah has gone out of its perpendicularity. Portions of it are giving way in this monsoon and the whole may possibly fall down soon.

The new Munsif's Court House is to be constructed in accordance with the latest type design approved

× Altered in pencil, if approved will be inked in.

8

approved of in G. O. No. 1098 W. d/ 21-4-87. [26]

[26] Provision has also been made in the estimate for dismantling the existing building & constructing a new Latrine circulated with G.O. No. 3019 W. d/ 10-11-87.

A report accompanies the estimate.

The nature of construction is as follows:-

The foundation, basement & superstructure are to be built of laterite stone in Chunam.

Basement all round the court house is to be plastered with ½" Portland Cement, pointed outside of walls with Surki cement & plastered inside with two coats of chunam.

8

Provision is made in the

the estimate for 3/4" ceder wood plank ceiling to the roof of the Court House, which is not provided in the Standard Estimate.

The following rates are in excess of those given in the Schedule of rates for the Calicut Sub Divn

Earth work Rs 7 per 1000 cft against Rs 3-8-.

Laterite stone arch work Rs 24 per 100 cft. against Rs 23.

If the Schedule rates are adopted the saving will be Rs 60, but it is not worth noticing.

Lump sum of Rs 350 is provided in the estimate for dismantling the existing building, clearing site & stacking materials.

Contingencies & superintendence each charged at 5 per cent.

The site plan & estimate have been countersigned by the Distt. Judge.

J.M.
1-5-89.

Approved

Order.

The Estimate as altered by the Chief Engr is sanctioned.

The attention of the S.E. IV circle is directed to the remarks made by the Chief Engr.

The Estimate of ~~Rs~~ 15,930 for constg a D.M. Court at Ernad has been reduced to Rs ~~[illegible]~~ 15087 by the omission of the following items.

Iron screw racks Rs 716
Carriage of do Rs 50
10 per cent on Rs 766 Rs 77

Total Rs 843

The attention of the Ex Engr West Coast Division should be called to the excessive percentage allowed for contingencies and petty supervision in the Estimate, and he should be instructed to carry out the orders under which the measurements of doors & windows are to be taken from inside to inside of frames.
