OFFICE NOTE No. 596.

To

W.

1297

With reference to para 7 of G.O. No. 919 W. dated 28th. March 1889 noticing the delay in the submission of the annual report on the working of the P.W. Workshops for the official year 1887-88, I beg to explain that the delay was due to the necessity of obtaining supplementary information from the General Superintendent P.W. Workshops. This information was unfortunately not received through the office note instead of by special letter, and in the absence of any prescribed date for the submission of the report, the delay escaped notice.

2. I have given instructions which will ensure all necessary information being obtained more promptly in future so that the report may be submitted by the 1st. of September at latest.
