GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Account.

READ—the following papers:—

From Colonel W. H. BURTON, R.E., Superintending Engineer, V Circle, to the Chief Engineer, Public Works Department, dated Chepâk, 18th January 1889, No. 4829.

In continuation of my remarks on the progress report of General branch for the month of November 1888, I have the honor to surrender the following grants which cannot be spent during the current official year:—

PROVINCIAL—ORIGINAL WORKS.

Civil Buildings.

	RS.
1. Government office record-room record almirahs	10,000
2. Additions to Women and Children's Hospital	3,465
3. Egmore Presidency Magistrates' Court constructing five horse-stalls and store-room	3,087
4. Uttramallur Sub-Registrar's office	2,800
5. Chingleput division, minor new works	2,000
6. Do. repairs	1,000

2. Estimates for the first two works are not as yet sanctioned, and the estimate for the third work is under revision by the Executive Engineer at the request of the departmental officer.

3. The Executive Engineer, Chingleput division, reports that the grant of item No. 4 is surrendered because the land forming site of the building is not yet acquired, although every endeavour has been made, and the grants under items 5 and 6 are also surrendered owing to certain estimates having been revised but not sanctioned.

4. I request that an additional grant of Rs. 2,048 may be sanctioned under Tools and Plant in Public Works Workshops division to adjust the value of foundry cupola lately received, and for which an estimate of Rs. 2,403 was submitted for sanction with my letter No. 4685, dated 12th January 1889.

From T. W. RAWLINS, Esq., Commissioner of Paper Currency, to the Secretary to Government, Public Works Department, dated Fort St. George, 21st January 1889, No. 2524.

At the instance of the Comptroller and Auditor General, Calcutta, I have the honor to invite your attention to G.O., No. 240 W., dated 20th January 1883, sanctioning an estimate for improving the strong rooms of this office, and to request that early orders may be passed to have the work put in hand as soon as possible. I find that provision has been made in the Public Works budget of this year under Part I—Class B. Works.

ORDER—dated 30th January 1889, No. 247 W., Public Works.

The following sums surrendered by the Superintending Engineer, V Circle, are resumed and credited to the reserve with the Government under Provincial:—

	RS.
(1) Providing record almirahs to two rooms of the General Record Department, Government office, Fort St. George ...	10,000
(2) Additions and alterations to the Women and Children's Hospital, Madras ...	3,465
(3) Constructing five horse-stables and a harness-room in the compound of the Presidency Magistrates' Court at Egmore ...	3,087
(4) Sub-Registrar's office at Uttramallur ...	2,800
(5) Civil buildings, minor works, Chingleput division ...	2,000
(6) Do. repairs, do. ...	1,000
Total ...	22,352

2. The following appropriations are made from the Provincial reserve:—

	RS.
(1) Tools and plant, Public Works Workshops division ...	2,048
(2) Improving the strong rooms of the Paper Currency Department, Fort St. George ...	5,000
(3) Constructing a new Court for the Sub-Judge at Tellicherry ...	5,000
Total ...	12,048

3. Funds are provided to meet preliminary expenses on the Paper Currency office in Fort St. George and the Sub-Judge's Court* at Tellicherry. Steps should be

* Vide G.O., No. 2631 W., dated 27th August 1888.

taken to utilise the grants before the expiry of the official year. The further allotment necessary for completing the Paper Currency office will be made in the orders on the statement of demands for incomplete works on application by the Superintending Engineer, V Circle.

G.O., dated 23rd January 1889, No. 36 R., Marine.

From Captain H. A. STREET, H. M.'s I.M., Presidency Port officer, Madras, to the Chief Secretary to Government, Marine Department, dated Madras, 8th January 1889, No. G/7.

In G.O., No. 2708 W., Public Works, dated 15th October 1886, a sum of Rs. 8,165 was sanctioned for constructing a lighthouse at the Seven Pagodas. The Superintending Engineer, V Circle, has now forwarded the accompanying revised estimate,* amounting to Rs. 11,952, for constructing the lighthouse, light superintendent's quarters and outhouse. The excess of Rs. 3,787 is explained in the report and comparative statement herewith forwarded and, under the circumstances, I beg that the sanction of Government may be accorded to the excess amount, the same being met from Port funds.

From Colonel W. H. BURTON, R.E., Superintending Engineer, V Circle, to the Chief Engineer, Public Works Department, dated Chepāk, 5th March 1889, No. 6000.

In retransmitting the enclosures received with your memorandum No. 585 C, dated 7th February 1889, I have the honor to state that the revised estimate of Rs. 11,952 for constructing lighthouse at Seven Pagodas provides fully for all requirements, and it is not likely to be exceeded by more than a trifling amount if at all.

2. The only work to be done is to sink a well (estimate Rs. 385), which cannot be done this year as we have not the land handed over, and completing the fixing of the lightning conductor (estimate Rs. 736), which may be worked out if the Public Works Workshops get the cable ready in time. The General Superintendent is requested to report on the subject.

3. The Executive Engineer reports that the cause of delay in submitting the revised estimate is due to the impossibility till nearly the completion of the works owing to the numbers of unforeseen items that presented themselves only as the work progressed and to the various additions suggested by the Marine Department.

ORDER—dated 22nd March 1889, No. 867 W., Public Works.

The revised estimate, amounting to Rs. 11,952, for constructing a lighthouse at the Seven Pagodas, is sanctioned in supersession of the estimate of Rs. 8,165 sanctioned in G.O., No. 2708 W., dated 15th October 1886.

2. This sanction has been registered as Excluded Local No. 24 W. of 1888-89 and classified as Miscellaneous Public Improvements, Original Works.

Telegram from the Secretary to the Government of India, Military Department, to the Secretary to the Government of Madras, Public Works Department, dated Calcutta, 4th January 1888, No. 10 M.W.

Your No. 3441 W., dated 16th December. Purchase land, Vepery. Case under consideration, but no additional grant available this year. In any case Government would not be prepared to purchase more land than is actually required for the purpose.

From Colonel H. McLEOD, R.A., Inspector-General of Ordnance, to the Superintending Engineer, V Circle, dated Fort St. George, 10th January 1888, No. E/13572.

I have the honor to inform you that it is proposed to recommend to the Director-General of Ordnance in India the erection of public quarters for 89 Carnatic Ordnance Artificers and 416 lascars of this department serving at Madras on the vacant ground in the vicinity of the Gun Carriage Factory, a portion of which has already been or about to be allotted for the erection of a coal shed. I shall therefore feel obliged by your causing me to be furnished with a plan and estimate of the same, together with the probable cost of the purchase of the ground referred to.

No. 4300.

Forwarded to the Chief Engineer, Public Works Department, for favor of orders if the plans and estimates called for should be prepared, as by G.O., No. 28 W., dated 6th January 1888, the land on which it is proposed to build the quarters for the artificers and lascars is not to be acquired by Government.

11th January 1888.

(Signed) H. M. VIBART, Colonel, R.E.,
Superintending Engineer, V Circle.

From M.R.Ry. C. V. CUNNIAH CHETTY, to the Sub-divisional Officer, Military Works, Fort St. George, dated Madras, 26th January 1888, No. 341.

With reference to your letter, No. 2982, dated the 24th instant, I very much regret to have to inform you that I cannot sell to Government only the place-of-arms and the ground on which it stands; for, even if I am disposed to sell it, it will be useless

to purchase it, as it stands almost in the centre of my land several yards off from the road on all sides and there is no means of approaching the building. Then again, even if it is proposed to purchase also the vacant land to the south of the building as far as the road which lies to the north of the Gun Carriage Factory, there is an objection to agree to the proposal, as the erection of a coal store will necessarily prevent the occupation of the three small bungalows which now yield me rents.

2. I may also state that I have a vacant piece of land, measuring from 90 to 100 grounds, to the north of the Vepery high road, and that if the Government are disposed to purchase it for the coal store, I shall be glad to let them have it on the same terms on which I agreed to sell the plot which has been under negotiation.

From Colonel H. M. VIBART, R.E., Superintending Engineer, V Circle, to the Chief Engineer, Public Works Department, dated Cuddalore, 8th February 1888, No. 4718.

With reference to G.O., No. 28 W., dated 6th January 1888, I have the honor to state that Mr. Cunniah Chetty is not willing to sell only the place-of-arms and the ground on which it stands.

2. There is a triangular piece of ground between the Penitentiary and the People's Park, which is a convenient site for the coal store, with reference to the Gun Carriage Factory, but there will be the objection to it stated in paragraph 2 of the Quarter-master-General's letter in G.O., No. 3441 W., dated 16th December 1887, in reference to another site, viz., that the coal dust would be liable to be carried into the General Hospital by the prevailing winds when any quantity of coal is being moved, and there will also perhaps be the objection to the coal store being placed immediately opposite the "Victoria Hall" now approaching completion.

3. Mr. Cunniah Chetty offers, in paragraph 2 of his letter enclosed, to sell to Government land north of the Vepery high road, and he evidently wishes that the whole plot (about 100 grounds) should be purchased by the Government. The land originally negotiated for is about the same extent, and, as the Director-General of Ordnance has proposed the erection of quarters for the Ordnance Artificers and lascars of the Gun Carriage Factory, it would be advisable if Mr. Cunniah Chetty's land and buildings in the vicinity of the Gun Carriage Factory be purchased as originally proposed.

Telegram from the Secretary to the Government of India, Military Department, to the Secretary to the Government of Madras, Public Works Department, dated Calcutta, 21st February 1888, No. 406 M.W.

Your telegram 11th February. Purchase of land for coal store, &c., sanctioned, chargeable to Military Works. Payment must be deferred till after 1st April, unless you can meet expenditure by reappropriations within current year's grant.

ORDER—dated 24th February 1888, No. 663 W., Public Works.

In their telegram of the 21st February 1888, No. 406 M.W., recorded above, the Government of India sanction the purchase of the land proposed to be acquired near the Gun Carriage Factory, Madras, for a coal store and the erection of public quarters for artificers and lascars of the Ordnance Department.

2. The land, including the buildings thereon, is described in paragraph 3 of the Superintending Engineer's letter, No. 2856, dated 15th October 1887, printed with G.O., No. 3441 W., dated 16th December 1887, and the whole property is offered for Rs. 41,625. Arrangements will now be made by the Superintending Engineer in communication with the Government Solicitor for the regular conveyance of the

property to Government. Payment of the purchase money to be made on the 15th April next. The Government of India will, meanwhile, be requested to make special provision, in the Military Works budget of 1888-89, for the sum required, viz. Rs. 41,625.

From Colonel W. H. BURTON, R.E., Superintending Engineer, V Circle, to the Chief Engineer, Public Works Department, dated Chepâk, 31st January 1889, No. 5144.

With reference to G.O., No. 3498 W., dated 3rd November 1888, I have the honor to state all the unserviceable teak timber, *i.e.*, the outside and worthless pieces, about 94½ tons, were sold by auction on the 20th November 1888 by the General Superintendent, Public Works Workshops.

2. Before this auction he sold in May last 32½ tons of unserviceable wood, making altogether 127 tons as shown in the accompanying statement. The booked value of 127 tons is Rs. 15,974-3-6 and the amount realized by public auction is Rs. 3,600, leaving a loss of Rs. 12,374-3-6.

3. To this if added the loss of Rs. 1,325-15-6, being the value of 1,689 cubic feet of teak found deficient by the General Superintendent at the time of stock-taking in July 1888, as per statement of timber balances on 20th July 1888, printed in the Government order above alluded to, the net loss on timber is Rs. 13,700, for which sanction of Government is requested to write off the books of Public Works Workshops division.
