GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Account.

Read—the following papers :—

From Lieutenant-Colonel R. R. E. DRAKE-BROCKMAN, R.E., Superintending Engineer, I Circle, to the Chief Engineer, Public Works Department, dated Dowlaishweram, 8th February 1889, No. 1103 G.N.

I have the honor to bring to your notice that the allotments sanctioned for estate works specially in the Ganjam district have had to be frequently surrendered, chiefly in consequence of the delay that occurs in receiving back the estimates sent * to the Court of Wards for sanction.

* Through the Collector.

2. For example, an estimate (Rs. 5,500) for temporary establishment required for drawing up estimates for works in the various estates was sent to the Collector of the Ganjam district on the 5th December 1888 for the sanction of the Court of Wards, but nothing has been heard of it up to date.

3. To enable this department to fully utilize the grants sanctioned for estate works, I beg to suggest that you will, in communication with Government, cause lump sum grants for works under the heads "Irrigation," "Communications" and "Buildings" to be placed at the disposal of the Public Works Department to meet the estimates costing Rs. 5,000 and under, which will be sanctioned by the Superintending Engineer under the powers recently given to him after countersignature of the Government Agent or Collector. There appears to be no reason why a method different from that in vogue for utilizing imperial grants of fund should obtain when those of Wards' estates are dealt with.

Note by the Chief Engineer, Public Works Department.

In his letter No. 1103 G.N., dated 8th February 1889, the Superintending Engineer, I Circle, complains of the great delay which occurs in obtaining sanction to works carried out by the Public Works Department on Wards' estates.

2. The powers of sanction possessed by Superintending Engineers with respect to works carried out from Imperial or Provincial funds are defined in para. 267 of the Public Works Code, and under recent orders of the Government of India, Superintending Engineers are now vested with powers varying from Rs. 2,500 to Rs. 10,000 according to standing. All estimates for estate works are sanctioned by the Court of Wards, but there appears no reason why such of them as are carried out by the Public Works Department should not be dealt with under Public Works rules. It is recommended, therefore, that the Superintending Engineer's suggestion in para. 3 be sanctioned.

3. It will be understood of course that no estimate for estate works will be sanctioned until it has been approved and countersigned by the Collector or Agent.

(Signed) H. R. MEAD, Colonel, R.E.,
Ag. Chief Engineer, P.W.D.

5th March 1889.

Memorandum.

No. 1202 C.

Forwarded to the Revenue Department for consideration.

(Signed) H. R. MEAD, Colonel, R.E.,
Ag. Secy. to Govt., P.W.D.

9th March 1889.

G.O., dated 26th April 1889, No. 2649, Revenue.

Read—Proceedings of the Court of Wards, dated 9th April 1889, No. 930, on endorsement from the Secretary to Government, Revenue Department, dated 14th March 1889, G.O. No. 1646.

Resolution—

The Court beg to state that, under G.O., dated 10th June 1885, No. 698, Revenue, the Public Works Department have the same power to sanction estimates for works to be executed in Wards' estates as they have under the Public Works Code. The Court have therefore no objection to the course proposed by the Chief Engineer, provided that particulars are furnished to Collectors from time to time of the estimates sanctioned by the Public Works Department officers.

2. A copy of the Court of Wards' reference on the Collector's letter submitting the proposals of the Superintending Engineer, referred to in para. 2 of his letter No. 1103 G.N. to the Chief Engineer, is submitted for the information of Government. The Court did not understand why the proposal was submitted to them for sanction as, under existing arrangements, the Superintending Engineer, as it appeared to them, was at liberty to entertain the establishment he desired.

Order—dated 26th April 1889, No. 2649, Revenue.

Communicated to the Public Works Department with reference to their memorandum, dated 9th March 1889, No. 1202 C.

Estimates

Orders on correspondence relating to the sanction of — for estate works.

10th June 1885, No. 698, Revenue.

1336/3

GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

Read—the following Proceedings of the Court of Wards, dated 26th May 1885, Mis. No. 4916 :—

Read—the following letter from C. S. CROLE, Esq., Collector of Madura, to the Secretary to the Court of Wards, dated 8th May 1885, No. 88 :—

I have the honor to submit a copy of letter No. 27-R.N., dated 20th ultimo, received from the Superintending Engineer, VI Circle, forwarding, for my sanction, an estimate for Rs. 7,400 for closing breaches in the Rajasingamangalam tank in the Ramnad estate. He seems to consider that Public Works Department Code rules, which give him authority to sanction all estimates for the repairs of irrigation works after approval by the Collector, apply also to the estate works under the charge of his department, and that the sanction of the Court of Wards is not necessary for such estimates. But as the Board's Standing Order No. 189 requires that Collectors should obtain the previous sanction of the Court of Wards for all original public works, whatever may be the amount of the cost, and for all repairs costing Rs. 200 and upwards, I beg to request the Court's instructions in the matter.

ENCLOSURE.

Letter from Lieutenant-Colonel H. R. MEAD, R.E., Superintending Engineer, VI Circle, to the Collector of Madura, dated Kodaikanal, 20th April 1885, No. 27-R.N.

I have the honor to forward an estimate for Rs. 7,400 for closing breaches in the Rajasingamangalam tank, and to report that, in anticipation of your sanction, I have directed the work to be begun.

2. I believe you will agree with me in considering that you and myself have the same authority under Code rules to sanction works in the Ramnad estate that we have with regard to Government works, and therefore this and other similar estimates may be sanctioned without reference to the Court of Wards.

Resolution—dated 26th May 1885, Mis. No. 4916.

The Court of Wards resolve to sanction the estimate, amounting to Rs. 7,400, for closing breaches in the Rajasingamangalam tank in the Ramnad estate.

2. The orders of Government are solicited upon the question raised by the Superintending Engineer, as it involves a conflict between the rules of the Public Works Department Code and Board's Standing Order No. 189, by which the Superintending Engineer is not bound.

3. It is observed that the Court of Wards' regulation contains no provision for the sanction of estimates by the Court.

(True Copies and Extract.)

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Account.

Read—the following paper :—

G.O., dated 15th November 1888, No. 6857, Revenue.

Read—the following Proceedings of the Court of Wards, dated 8th November 1888, No. 2604 :—

Office note from the Examiner, Public Works Accounts, dated Madras, 15th October 1888, No. 2411.

The omission to exhibit the grants for Court of Wards' estate works in the budget registers and monthly appropriation returns of this office having been found to be productive of inconvenience, the Accountant-General, Public Works Department, has consented to their being shown in the returns under a separate head in future.

2. In view to effecting this object in a satisfactory manner, I would propose the following modifications in the Madras Code, subject to the approval of the Court of Wards and of Government :—

> "Para. 1423 A. Grants for works belonging to estates under the Court of Wards to be carried out by the Public Works Department will be assigned under the following rules :—
>
> "I. The Executive Engineers, in communication with Collectors, will draw up a list of the works belonging to estates in his division proposed to be carried out by the department during the ensuing year and submit this list through the Superintending Engineer to the Secretary to Government, Public Works Department, so as to reach the latter by the 10th September with lists of other public works—see Code para. 1426, III.
>
> "II. The Secretary to Government, Public Works Department, after scrutiny, and modification if necessary, will forward the list through the Revenue Department to the Court of Wards, under whose orders the necessary provision is made in the Court of Wards' budgets for the works approved of.
>
> "III. The provision made in the Court of Wards' budgets will be communicated by the Secretary to the Examiner and Superintending Engineers concerned, and will be included in the Examiner's budget registers and returns under a distinct head—see para. 1916."

3. Para. 1916, 9th line, *below the word* " contributions " *insert* Court of Wards' estate works.

P.W.D. form No. M. 104 as revised by Standing Order No. 118 of 1887, Part I, after the head " contributions " *insert* Court of Wards' estate works.

C. W. Register no 3328 of 88.

The Hon: J. Groze. M.A.;

Read Endorsement from the Collector of Ganjam dated 17th December 1888. No 6230 on letter from the Superintending Engineer First Circle, dated 4th December 1888. No 874 Gn.

133b/9

Reference on the above d 4. 2. 89.

133b

The proposals of the Superintending Engineer are not understood. Under the existing arrangement, the Department of Public works is entirely responsible for the conduct of all Engineering works in the Estates of the Court of Wards in Ganjam, and if the Superintending Engineer desires to entertain any Special Establishment for the purpose, he is of course at liberty to do so, under the orders of the Government in the Public Works Department. The Court have nothing to do with the matter. If on the other hand the Engineer desires to entertain a special Establishment and place it directly under the Court his proposal amounts to an entire change of system and before sanctioning it, the Court should have before them a full report on the matter from the Collector, after the

9

9

the receipt of which they can if they think fit address the chief Engineer. The collector is requested to report further on the matter.

In letter No 1103 of 8 Feb Lt-Col Brackenbury complains of the great delay in getting back sanctioned Estimates from the Court of Wards

I do not understand how estimates are sanctioned I believe that as suggested by the S.E. Lump sum grants are sanctioned in the budgets for certain classes of work and the S.E. has with the Collector (who is in charge of the estate) powers of sanction and similarly the Ex. Eng. if this is not the case we shd apply for the sanction of Govt to this procedure

The best way will be by a note.

We ought to have the same powers of sanction as given in the Code and this I believe we have
