Sir,

I feel much obliged to you for your communication of the 17th April. I shall be glad to make use of the ground allowed in the Fishing village for a tennis Court. I however beg to remind you that in my letter of the 23rd February, I requested permission for a piece of ground where the boys of my school might play cricket. I am more anxious to secure this than the Tennis Court, because cricket is not only a better game for the boys but is also less expensive. I hope you will have no objection to allot another piece of ground in the village for this purpose. Should there be any, however, I request you to permit me to utilise for cricket the ground you are now pleased to sanction for Tennis, only a few yards more will be required for the boys to run about.

I remain, Sir,
Your obedient Servant

Sir

I have the honor to acknowledge receipt of your Communication no. 108 dated the 17th April '89. I am directed to state that the members of the Society feel gratefully thankful to Government for the kind permission given them to use a portion of the Fishing Village site south of Pycroft's Road for recreation.

While accepting the offer, the members desire me to bring to your notice that the Society consists of nearly a hundred members and that a single ground would be very inadequate to meet the requirements of the Society and direct me to request you for these reasons to accord permission for another ground 30 yds x 20 yds. As we will vacate the ground whenever Government should so require. You may yourself grant us our request without fresh sanction from Govt. Pending your permission for the additional ground, I will be present at any time and place you may appoint for taking charge of the ground permission for which has been already obtained.

I beg to remain,
Sir
your most obedt servt.
C. R. Krishna ayar.
Joint Secretary.
