GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

8th April 1879, No. 683.

Allowances.

Read the following paper :—

No. 65. *Proceedings of the Government of India in the Financial Department, (Leave, Leave Allowances, &c.,) dated Fort William, 26th March* 1879, *No.* 1453.

Read the following extract from the Resolution of the Government of India in the Financial Department, No. 2087, dated 10th August 1878, containing orders on proposals for the grant of certain exceptional concessions to officers of all departments who were employed in carrying out famine relief operations in Madras, Bombay, and Mysore :—

> " Para. 4.—The Government of India, therefore, is unable to do more than state—
>
> " *First*, that it will be prepared to consider favorably the cases of any officers which the Governments of Madras and Bombay, or the Chief Commissioner of Mysore, may think deserving of recognition, by the grant of special leave on account of failure of health within a reasonable time after the completion of their duty in connection with famine relief. Such special leave might carry, for the first six months, full pay and allowances up to a limit of Rupees 600 a-month."

RESOLUTION.—Certain questions having arisen in reference to the concessions as to leave thus offered, the President in Council is pleased to issue the following orders :—

(*a*) The term " full pay and allowances " means the full pay and allowances which the officer to whom special leave is granted is in receipt of when he avails himself of the leave.

(*b*) The special leave will not count as service.

(*c*) The special leave will interfere with other leave. For instance, an officer who takes the special leave will forfeit all claim to privilege leave which is due to him when he takes the special leave; an officer will not, under the operation of Section 35 of the Civil Leave Code, be entitled to take any other leave at the close of the special leave. The concession intended by the special leave is the grant of extra leave allowance for the first six months of an officer's absence : after the end of six months, that is, for the remainder of his leave, the officer draws the usual leave allowance under the rules to which he is subject.

Ordered that this Resolution be communicated to—

The Public Works Department, with reference to its Memorandum, No. 339 E.G., dated 24th February 1879;
The Public Works Department (Famine Branch);
The Governments of Madras and Bombay;
The Chief Commissioner, Mysore;

The Accountants-General, Madras and Bombay, and the Deputy Accountant-General, Mysore, with a copy of Financial Resolution, No. 2087, dated 10th August 1878, to each.

Famine Relief.

No. 145. READ THE FOLLOWING PAPER :—

From C. BERNARD, Esq., C.S.I., Officiating Secretary to the Government of India, Home, Revenue, and Agricultural Department (Famine), to J. H. GARSTIN, Esq., C.S.I., Acting Secretary to the Government of Madras, Revenue Department, dated Simla, 10th September 1879, No. 148-C.

In reply to your letter, No. 1,599-A, dated the 31st July last, I am directed to say that the Governor-General in Council is pleased to sanction the grant of the following concessions to the officers, named in the List No. 1 forwarded therewith, who were employed on famine relief duty in 1876-77 :—

(*a*) Special leave on account of failure of health occasioned by relief duty.

(*b*) Of this special leave, the first six months' leave will carry full pay *and* allowances up to a limit of Rs. 600 a-month.

It is to be understood that the special leave should be taken before the end of the year 1880.

2. I am also to convey the sanction of His Excellency to an addition to service for pension of a period not exceeding twelve months in the case of the officers mentioned in the List No. 2, who received no extra allowances and whose salary does not exceed Rs. 600 a-month.

3. I am to request that, with the permission of His Grace the Governor in Council, you will be good enough to favor the Government of India with a report showing the amount of money and of extra service granted to each officer under the orders now passed.

No. 146. ORDER THEREON, 10th October 1879, No. 2,038.

Miscellaneous.

UNDER the authority conveyed by the above communication, His Grace the Governor in Council resolves that in respect of those officers, whose names appear in List No. 1, and who have already had six or more months' leave, in consequence of ill-health contracted on Famine Relief duty, the Accountant-General be authorised to offer to them the option—

X3 x 3

(1.) either of receiving at once the difference between the absentee allowances they actually received during the first six months of such leave and six months' allowances calculated at the rate of Rs. 600 a-month, or where their full pay and allowances prior to going on such leave were less than 600 rupees a-month then the difference between such full pay and allowances and what they actually drew during the first six months of their absence.

(2.) or of waiting to take six months' special leave on 600 rupees a-month, or on full pay and allowances when these are less than 600 rupees a-month, before the end of 1880. It must be clearly understood that in the latter alternative the leave will be taken subject to the conditions laid down by the Government of India in their Resolution of March 26th, 1879, No. 1,453.*

2. The total amount of money disbursed under the authority of the above order will be duly reported by the Accountant-General for communication to the Government of India.

3. The Government propose to grant twelve months' extra service for pension to all the officers and subordinates whose names appear in List No. 2. The Government of India will be informed accordingly.

Resolution: By the Govt. of India, Financial Department

Read the undermentioned papers containing proposals for the grant of certain exceptional concessions to Officers of all Departments employed in carrying out famine relief operations in Madras, Bombay & Mysore:-

Letter from the Government of Bombay No 829 dated the 8th February 1878 received in the Public Works Department (Famine Branch)

Letter from the Chief Commissioner of Mysore No 9674—151 dated the 6th February 1878 received

in the Foreign Department

Letter from the Government of India Public Works Department (Famine Branch) to the Government of Madras No 1202 dated 9th March 1878

Memorandum dated 25th March 1878, from Lieutenant-General Sir M. Kennedy, Personal Asst to His Grace the Governor of Madras in Council (Famine Department)

Letters from the Government of Madras No 829 dated the 10th May 1878 & No: 867 dated the 17th May 1878

Resolution. His Excellency the Governor General in Council after a careful consideration of the Proposals contained in the papers recited in the preamble, regrets that he can see no satisfactory way of recognising the services of the officers who were engaged in carrying out the recent famine operations in Madras, Bombay & Mysore, in the manner suggested by the various authorities consulted

2. His Excellency in Council in the first place observes that no such concessions were granted to officers for similar services rendered during the famine which prevailed in 1874 in Bengal.

3. Next, it is to be remarked that the various proposals that have now been made differ greatly in scope and even in their fundamental principles on which they would be applied. The reasons for this are obvious, namely, that the conditions under which the services were rendered, the special recognition of which is contemplated, varied to an almost indefinite extent. This

also

1357

also would make it impracticable to lay down any fixed rules for general application in recognising those services

4. The Government of India therefore is unable to do more than state

First that it will be prepared to consider favourably the cases of any officers which the Governments of Madras and Bombay, or the Chief Commissioner of Mysore, may think deserving of recognition by the grant of special leave on account of failure of health within a reasonable time after the completion of their duty in connection with famine relief; such special leave might carry for the first six months, full pay and allowances up to a limit of Rs 600/- a month.

Secondly, that an addition to

Service for pension not exceeding the period of employment on famine relief duty may hereafter on their retirement be recommended for any specially deserving officers who did not receive any extra allowance when so employed and whose salary when so employed did not exceed Rs 600/- per mensem. The Secretary of State will be requested to give his sanction to these proposals.

Order. Ordered that this Resolution be communicated to the Governments of Madras and Bombay, to the Chief Commissioner of Mysore, and to the Public Works Department (Famine Branch) for information.

Revenue Department.

PROCEEDINGS of the MADRAS GOVERNMENT.

Read the following letter from the Govt. of India, Home, Revenue and Agricultural Deptt. (Famine) dated 10 Septr. 1879, No 148 C.

In reply to your letter No 1599A dated the 31st July last, I am directed to say that the Governor General in Council is pleased to sanction the grant of the following concessions to the officers named in the list No I forwarded therewith who were employed on Famine Relief duty in 1876.77.

(a) Special leave on account of failure of health occasioned by Relief duty.

(b) Of this special leave, the first six months leave will carry full pay and allowances up to a limit of Rupees 600 a month. It is to be understood that the special leave should be taken before the end of the year 1880.

2. I am also to convey the sanction of His Excellency to an addition to service for pension of a period not exceeding 12 months in the case of the officers mentioned in the list No II, who received no extra allowances.

allowances and whose salary does not exceed Rs 600 a month.

3. I am to request that, with the permission of His Grace the Governor in Council, you will be good enough to favour the Govt. of India with a report showing the amount of money and of extra service granted to each officer under the orders now passed—

Order thereon, 10th October 1879, No 2038

Under the authority conveyed by the above communication His Grace the Governor in Council resolves that in respect of those officers whose names appear in list No 1 and who have already had six or more months leave, in consequence of ill-health contracted on Famine Relief duty, the Accountant General be authorized to offer to them the option;

(1) either of receiving at once the difference between the absentee allowances they actually received during the first six months of such leave and six months' allowances calculated at the rate of Rupees 600 a month, or where their full pay and allowances prior to going on such leave were less than 600 Rupees a month then the difference between such full pay and allowances and what they actually drew during the first 6 months of their absence;

(2) ~~or~~ of waiting to take six months special leave on 600 Rupees a month, or on full pay and allowances where these are less than 600 Rs a month, before the end of 1880.

It must be clearly understood that in the latter alternative the leave will be taken subject to the conditions laid down by the Govt. of India in their Resolution of March 26th 1879, No * 1450.

2. The total amount of money disbursed under the authority of the above order will be duly reported by the Accountant General for communication to the Government of India.

*1. That the term "full pay and allowances" means the full pay and allowances which the officer to whom special leave is granted is in receipt of when he avails himself of the leave
2 That the special leave will *not* count as service
3 That the special leave *will* interfere with other leave — For instance, an officer who takes the special leave will forfeit all claim to privilege leave which is due to him when he takes the special leave; nor will an officer, under the operation of Sec: 35 of the Civil Leave Code be entitled to take any other leave at the close of the special leave

This concession intended by the special leave is the grant of extra leave allowance during the first 6 months of an officer's absence. After the end of the 6 months: that is, for the remainder of his leave the officer draws the usual leave allowance under the rules to which he is subject.

3. The Government propose to grant 12 months' extra

service

Service for pension to all the officers and subordinates whose names appear in list No 2. The Government of India will be informed accordingly.

I have the honor to request that, if possible, I may be allowed the extra one years service to count towards pension under section 6. Civil Pension Code for famine duty.

Executive Engineer No II Tank Division & I received no extra allowance of any kind & suffered considerably in my health, having a severe attack of Cholera.

I hope my application is not too late for Consideration now.
