# FINANCIAL DEPARTMENT.

Letter—from
The CHIEF SECRETARY to the GOVERNMENT of
FORT ST. GEORGE,

To
The SECRETARY to the GOVERNMENT OF INDIA,
Financial Department.

Sir,

In their letter, No. 403 R.E., dated 19th June 1883, the Government of India sanctioned certain extra allowances to State Railway establishments employed in the unhealthy localities in and near the Nulla Mulla Hills of the Kurnool district, viz., 30 per cent. of salaries to all members of the party on the permanent establishments, and double the usual rates of travelling allowance, as laid down for the Agency tracts of the Northern Circars, to both temporary and permanent establishments. It is now represented in the accompanying papers that officers and subordinates of the Public Works Department, employed in this locality, which extends between Nandyál and Cumbum, are also deserving of special consideration, inasmuch as they are frequently exposed to the same unhealthy influences, and it is proposed that they should receive the special allowances sanctioned in the case of State Railway establishments.

2. I am to submit the application for the orders of the Government of India.

I have the honor to be,
Sir,
Your most obedient servant,

# FINANCIAL DEPARTMENT.

READ—the following papers :—

From Lieutenant-Colonel H. M. VIBART, R.E., Superintending Engineer, III Circle, to the Chief Engineer, Public Works Department, dated Bellary, 11th December 1885, No. 1930.

I have the honor to submit the accompanying letter from Sub-Engineer Conductor Nicholson and to recommend strongly that extra allowance, similar to that given to the officers of the State Railway Department, be granted to the officers of this department employed in the fever zone between Nandyál and Cumbum.

2. I consider the officers of this department are equally entitled to the concession. In fact they have more travelling and are exposed to more risks than those encountered by the railway officers. The extra expenses incidental to living in Cumbum press just as heavily upon the officials of the former as upon the officers of the latter department.

From J. NICHOLSON, Esq., Sub-Divisional Officer, Cumbum, to the Superintending Engineer, III Circle, Bellary (through the Executive Engineer, Kurnool Division), dated Cumbum, 16th November 1885, No. 687.

I beg respectfully to request that you will be good enough to recommend to the Government that an extra allowance be granted to the local Public Works establishment serving in the fever zone between Nandyál and Cumbum, and at each of those two places, similar to that drawn by the establishment employed in the abovementioned fever zone on the Bellary-Kistna State Railway.

2. I understand that this allowance is 30 per cent. on salary, and double travelling allowance, and that it is drawn by apothecaries of the Madras establishment serving on the State Railway.

3. I beg to state that the local establishment is more exposed to the causes that produce fever and other illness, having to travel more, live in tents, &c. ; whereas the railway officers are provided with bungalows and have little travelling to do ; again there are hospitals and medical officers especially provided to attend on all railway officials.

His Excellency The Right Honorable

Lord Connemara, G. C. I. E.

Governor and President in Council

Madras,

The humble petition of J. H. Toogood, Executive Engineer P. W. D. Bengal.

Respectfully sheweth,

That your petitioner was transferred temporarily from Bengal to the Madras Presidency and has been there employed from the 6th November 1888 to the 22nd April 1889.

That your petitioner learns that Railway officers employed on the Bellary Krishna Railway and other unhealthy and feverish parts of the — Presidency have received

16

an

an addition of 30 per cent to their salaries and double travelling allowance.

That your petitioner's charge or work has been principally in the Nandial, Cumbum and Sirwell Taluks of the Kurnool District and Produtoor and Jammalmadugu Taluks of the Cuddapah District both of which districts are recognized as unhealthy and feverish inasmuch as special allowances are and have been granted in them.

That unlike the Railway Officers who are recognized as liable for duty in all parts of India your petitioner belongs to the Bengal Establishment and has been specially deputed to this Presidency and is therefore he respectfully submits entitled to the same, if not greater, concession in the matter of allowances than these officers.

That owing to the sudden transfer out of his Presidency he has been put to heavy loss in the sale and disposal of his property in Bengal and what further loss may yet arise to the effects left behind it is impossible to say.

Awaiting a favorable consideration of his case from your Excellency and the grant of similar allowances to those given to the Railway Officers your petitioner as in duty bound will ever pray.
