28TH MAY 1889, No. 1412 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT. 1412

General.
Account.

READ—the following paper:—

From A. A. JOPP, Esq., Director-General of Stores, to the Secretary to the Government of Madras, Public Works Department, dated India office, Whitehall, S.W., 3rd May 1889, No. S.D.O. 2671.

In the indent for stores for the Madras Public Works Department, No. 1, dated 21st December 1888, forwarded with your letter No. 530 W. of the 21st February 1889, a demand occurs for 50 tons of coke. The indent does not state for what purpose the coke is required, but as 80 tons of pig iron were supplied in July 1888 for the same department, it is thought probable that the coke is required for foundry purposes and the supply will be made accordingly.

2. It would be an advantage to this department, and render a correct supply more certain, if the description could be more fully specified in future demands.

ORDER—dated 28th May 1889, No. 1412 W., Public Works.

Communicated to the Superintending Engineer, V Circle, for information and guidance with reference to G.O., No. 529 W., dated 21st February 1889.
