24TH OCTOBER 1888, No. 3396 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Civil Works.
Account.

READ—the following paper :—

From Colonel R. C. B. PEMBERTON, R.E., Secretary to the Government of India, Public Works Department (Account—Civil Works), to the Secretary to the Government of Madras, Public Works Department, dated Simla, 16th October 1888, No. 216 A-C.W.

I am directed to acknowledge the receipt of the Proceedings of the Government of Madras, No. 2452 W., dated 13th August last, and to communicate the sanction of the Government of India to the payment of Rs. 324 for compensation for sittings provided, during the years 1885-86 to 1887-88, for Protestant soldiers in the Wesleyan Chapel, Black Town, Madras.

2. With reference to the enclosures of your letter, which are herewith returned, I am to observe that some misconception apparently exists as to the inadmissibility of claims for compensation for soldiers of Garrison Batteries and for Commissioned and Non-Commissioned officers employed on the staff. The note to rule XXIX, section IV, appendix M, volume I of the Public Works Department Code distinctly states that compensation may be charged for the latter class. For Garrison Batteries no scale of accommodation was apparently by an oversight fixed for Roman Catholic soldiers in Standing Order No. 63* of the 15th March

* Modifying rule VI, section IV, appendix M, volume I of the Public Works Department. 1887; this omission will shortly be rectified. It was not intended to debar the payment of compensation for sittings provided for

such soldiers in churches which are not the property of Government, and I am to state that the claims of the Wesleyan Chaplain at Madras on this account may be discharged without a further reference to the Government of India for sanction.

ORDER—dated 24th October 1888, No. 3396 W., Public Works.

Communicated to the Superintending Engineer, V Circle, and the Examiner, Public Works Accounts, with reference to G.O., No. 2451 W., dated 13th August 1888; also to other Superintending Engineers and the Ecclesiastical Department for information.

2. The claim of the Wesleyan Chaplain, Madras, will now be discharged, and a supplemental bill should be submitted on account of sittings provided for soldiers of the Garrison Battery and for Commissioned and Non-Commissioned officers employed on the staff.

To W.

In returning the claim for compensation for sittings provided in the Wesleyan Chapel Black Town — Madras, for soldiers of the Garrison Battery and non-commissioned officers employed on the staff during 1885-86 to 1887-88, I beg to state that the bill has been wrongly drawn up in several respects, and the necessary corrections have been made by me in red ink; the reduction in amount is due to 7 children being reckoned as 3½ adults instead of 4 as claimed. The dates of highest attendance are not given, but under the circumstances explained by the Chaplain, the claim perhaps might be allowed for the reduced amount of Rs. 38-8-0.
