No 689 27th May 1889
W.

In returning herewith the claim for compensation for sittings for soldiers etc. in the Wesleyan Chapel, Black Town Madras from 1st. April 1888 to 31st. March 1889, I beg to state that bill has been wrongly drawn up in several respects, the necessary corrections have been made by me in red ink.

2. The reduced amount is due to the claim of three (3) sittings for seven children being corrected to one and a half ($1\frac{1}{2}$) sittings for (3) three children (the number given in the statement of highest attendance in column 8).

3. The claim for the reduced amount of Rs.187-8-0 may be allowed by Government.
