GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Account.

Read—the following papers :—

From J. P. FIDDIAN, Esq., C.S., Acting Chairman, Harbour Trust Board, to the Chief Secretary to Government, dated Madras, 19th January 1889, No. 247.

I have the honor to submit, herewith, copy of the Board's Engineer's letter No. 1345, dated 17th instant, and of resolution passed thereon by the Trustees at their meeting last evening; also to forward the indent (in triplicate) for stores required for the Harbour Works.

2. I am requested to ask that this may be forwarded to the Right Honorable the Secretary of State at an early date, and that a request may be made that the shipment of cement be expedited, as much as possible, so that the works may not run out of their supply before that now indented for commences to arrive.

From the same officer, dated Madras, 29th January 1889, No. 379.

I have the honor to acknowledge the receipt of reference on No. 62 of 1889 and to inform you, in reply, that the Board invite tenders as far as possible for all material required by the Harbour Works, but that with reference to the indent forwarded with my letter No. 247 of the 19th instant, none of the items are procurable locally; the Board have no agency for purchasing in England; and many items can only be supplied through the India Office even if they had, as all details, such for instance, of the locomotive engine now indented for, are recorded in the India Office and references are made to previous supplies for guidance as to what is needed.

2. The Board further consider that, so long as Mr. Parkes occupies the position of Consulting Engineer to the Secretary of State, his services should be availed of, especially in reference to the supply of cement suitable for the works and for parts of machinery, &c., with details of which he is already acquainted.

Enclosures.

Extract of Proceedings of the Trustees of the Harbour of Madras, at a meeting held at the offices of the Board, on Friday, the 18th day of January 1889.

* * * * *

Read—letter from the Engineer, Harbour Trust Board, No. 1345, and examined indent forwarded therewith for stores required for the Madras Harbour Works.

Resolved—that this indent be approved and forwarded through the usual channel.

* * * * *

From A. LEE POGSON, Esq., Engineer, Harbour Trust Board, to the Chairman, Harbour Trust Board, Madras, dated Madras, 17th January 1889, No. 1345.

I have the honor to forward, herewith, an indent in triplicate for stores required for these works for compliance in England and to request that you will be good enough to forward the same through the usual course.

2. The Public Works Workshops have none of the stores enumerated in this indent which I have ascertained prior to its compilation.

Transferred, with current No. 69, to the Public Works Department, with reference to G.O., No. 426, dated 28th May 1888, Financial.

(By Order.)

7th February 1889. (Signed) W. S. MEYER,
Assistant Secretary.

From T. W. RAWLINS, Esq., Accountant-General, to the Secretary to Government, Public Works Department, dated Fort St. George, 20th February 1889, No. 545.

With reference to your endorsement, No. 646 C., dated the 8th February 1889, forwarding to me, for my certificate under rule 16, appendix G, Madras Public Works Code, the Madras Harbour Trustees' letter, enclosing an indent of stores required by them from the India Office, I have the honor to inform you that the certificate mentioned in the rule seems to refer to charges incurred partly in England and partly in India against a common budget estimate. In the case of the Harbour Works, though some of the stores are still received from the India Office and charges are consequently still incurred in England on their account, the latter are not now taken against the Government accounts or estimates; for the charges are recovered in cash in this country from the Trustees and these repayments are probably provided for in their own budget estimates. I think, therefore, that the rule quoted no longer applies and the enclosures received under your endorsement are, accordingly, herewith, returned.

Order—dated 26th February 1889, No. 560 W., Public Works.

Ordered to be forwarded to the Home Government for early compliance.

(Here enter No. 561 W., dated 26th February 1889.)

Sir,

In the Madras Harbour Works Indent dated 17th January 1889, forwarded with your letter No 561 W, of the 26th February 1889, a demand occurs for a Royal Navy pattern Telephone for diving. As it has been ascertained, however, that for this service in the Navy speaking apparatus has been substituted for the telephone, steps have been taken for the supply of a set of speaking apparatus complete with fittings, and instructions for attaching the apparatus to helmet at a cost of £6-3-6.

I have the honor to be,
