The old police lodging fund was abolished in 1884, & at present the rents of huts constructed from the Police budget are collected by the Police depr., while rents of huts constructed by the PWD are collected by the P.W.D. & the repairs are made by the P.W.D.

G.O.s sanctioning estimates for many of the huts in the list are put up.

Apparently, it is only in the Nilgiri district where rates are high & labour scarce, that the P.W.D. have charge of police lines.

Memo.

In forwarding to the S.E. IV Circle, a statement prepared by the Examiner, showing the Police huts in the Madras Presy. which are maintained by the P.W. Dept., the undersigned has the honour to inquire (1) whether the rents of these huts are actually collected by the P.W. Dept., (2) if so, whether the rents realised are brought into P.W. receipts, & (3) whether any, but occasional special repairs to the huts, are carried out by the P.W. Dept.

7/8 2. If the replies to

to these questions are in the affirmative, it would appear that the practise in the Nilgiri division is different from that of every other division in the Presidency, & the Supdg Engr is requested to report whether there is any special reason for this. The Chief Engr sees no reason why the Police Dept on the Nilgiris should not manage the rents of such huts & execute petty repairs as in every other District. Special heavy repairs would of course be carried out by the P.W.D.

Sir,

In reply to your endorsement No. 121 N.I., dated 11th March 1889, on Chief Engineer's Memorandum No. 1138C of 7th instant, I have the honor to state as follows:—

(1) The rents of the huts in question are not collected by the Public Works Department but by the Treasury Deputy Collector, Nilgiris, by monthly deduction from the Salary bill of the Police force in the Nilgiri District on statements of recovery being furnished

to

to him, through me, by the Superintendent of Police, Coimbatore.

(2) They are brought into the P.W. Books under column "Rent received in Civil or Military Department" of the monthly Return of buildings rented and available for rent.

(3) All kinds of repairs whether ordinary or special are carried out by this Department.

2. With reference to para 2 of the Chief Engineer's memo, I beg to refer you to Government orders Nos. 2834W of 27th October 1882 and 3107W of 24th November 1882, which separate the Nilgiri and Presidency Divisions from the rest of the Presidency in respect of the execution of petty repairs. I consider that the existing arrangement should remain in force.

2. The reasons urged for retaining petty construction and repair works in districts so exceptionally circumstanced as Madras and the Nilgiris are that in the former district "as there is a Public "Works Establishment on the spot, "the work can with advantage be "executed by it; and in the Nilgiris "that labor is scarce, wages high, "and material difficult to procure".

The P. W. Department would have nothing to do with the collection of rents for Police Huts in cases in which the buildings were constructed and maintained from funds outside the P. W. Budget. In the case of the Nilgiri Police Huts the buildings were constructed from P. W. Funds and are maintained by the Department; and are therefore in charge of the Department and should under P. W. D. Code para 975 be borne on the P. W. Registers.

2. Your view is correct with reference to Police Huts in general, but the case of the Nilgiri Police Huts is exceptional and must be treated accordingly until Government orders them to be formally handed over to the Police Department.

There is nothing to shew that the Rents are collected by the P.W.D. and although the Commissioner says they are I doubt it.

1500

They certainly are not collected by the D P W from the occupants but it is possible that they are credited to the P W Dept and I believe wrongly

I see no reason and there is nothing to shew in the papers that in Nilgiris there is anything different [illegible] to the Police Huts in the other districts

The Commissioner gives a statement showing the cost of Police Huts built in the Nilgiris this gives no information. Police Huts have been built for the ~~Police~~ Police by the D P W in all districts but after they are built they are in the charge of the Police. When many repairs are required there is no reason why the work should not be done by the D P W but this does not constitute any

Note

The C's office note apparently has reference to police huts constructed by, & in charge of, the P.W. Dept.

In such cases the rents would be collected by the P.W.D., & the rules recently laid down by the Govt. of India would have to be observed, in supersession of all previous rulings.

Under G.O. No. 1965 W of 7.8.86, the rates of rent in force in the Police Dept. were allowed to be applied to Police huts constructed by the P.W.D., & on this order the note 2 to Code para 1041 was

2. The scale of monthly deductions on account of rent to be made from the pay of subordinates of the Police Department occupying Government huts was specially fixed by G. O. In the peculiar circumstances of the case the application of the rules embodied in Resolution No. 479 B. dated 7th Septr. 1888, to the case of the Police huts on the Nilgiri Hills does not appear to be advisable as in accordance with your office letter No. 449 A.G. d/ 31st December 1888 the rules in question do not apply to police huts in other parts of the Presidency as they are in charge of the Police Department.

CHIEF SECRETARY'S
23 APL 89
GOVERNMENT OF MADRAS

I don't see any necessity for this reference to India.
The D.P.W. have nothing whatever to do with the rent of police huts. The fact that these are sometimes constructed & repaired by the Dept does not bring them within the Rent rules. The rents are not collected by the D.P.W. nor are these buildings on D.P.W. returns. The Examiner had better omit the note 2 to para 1041. It has really no place in the P.W. Code.
Agree with Col. [illegible] [illegible] 1 Month.
