GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

Read—the following papers :—

Office note from the Secretary to Government, Revenue Department, to the Secretary to Government, Public Works Department, dated Ootacamund, 22nd August 1888, No. 86.

With reference to para. 2 of the accompanying Proceedings of the Board of Revenue, dated 16th July 1888, No. 4314, the undersigned has the honor to request that he may be furnished with information as to the alterations which have been proposed in the plan for the Collector's residence at Anantapur, sanctioned in G.O., dated 3rd September 1886, No. 2196 W.

(Signed) C. A. GALTON,
Ag. Secretary to Government.

Memorandum in the Public Works Department, dated 3rd September 1888, No. 3335 C.

From Colonel H. SMALLEY, R.E., Superintending Engineer, III Circle, to the Chief Engineer, Public Works Department, dated Bellary, 30th October 1888, No. 1656.

[Your memorandum No. 3335 C., dated 3rd September 1888.]

The Executive Engineer, Bellary, reports that the following are the distances of cartage for materials used at the Collector's residence in course of construction at Anantapur :—

	MILES.
Stone for archwork	5½
Do. for foundations	2
Do. for superstructure	4½
Lime	20
Stone slabs	40
Bricks	2
Stone for concrete	
Sand	

2. He adds that the stone though gneiss is not laminated and cannot be quarried by burning, and that this has added very much to the cost of construction. I am afraid, therefore, that the amount of the revised estimate cannot be reduced, viz., Rs. 34,495.

3. The contractor has undertaken the work on condition of receiving the rates as per the revised estimate. The arches in the verandah of the lower storey had been turned before receipt of your memorandum under reference and, from a calculation made in this office, it is shown that archwork is cheaper than square pillars with bressummers by Rs. 105.

Memorandum in the Public Works Department, dated 5th November 1888, No. 4277 C.

From Colonel H. SMALLEY, R.E., Superintending Engineer, III Circle, to the Chief Engineer, Public Works Department, dated Bellary, 8th November 1888, No. 1727.

With reference to your memorandum No. 4277 C., dated 5th November 1888, I have the honor to forward the original plans Nos. 1 and 2 relating to the Collector's residence at Anantapur, together with a comparative statement as therein called for.

Memorandum in the Public Works Department, dated 15th November 1888, No. 4494 C.

From Colonel H. SMALLEY, R.E., Superintending Engineer, III Circle, to the Chief Engineer, Public Works Department, dated Bellary, 2nd March 1889, No. 2730.

With reference to your memorandum No. 4494 C., dated 15th November 1888, I have the honor to submit a revised comparative statement for Collector's residence at Anantapur, with explanatory remarks as to cause of excess.

2. The accompanying tracing seems to be the only plan which was originally sanctioned for the building.

No. 1364 C.

MEMORANDUM.

With reference to office note from the Revenue Department, No. 86, of 22nd August 1888, the undersigned has the honor to forward three plans (A, B and C) of the Collector's residence at Anantapur, and a copy of a memorandum No. 3237 C., of 24th September 1887, by Colonel Hasted, R.E., containing his instructions to the Superintending Engineer, III Circle.

2. Plan A shows the building as constructed and for which the revised estimate of Rs. 34,246 has been submitted.

Plan B shows the arrangement of the buildings as sanctioned in G.O., No. 2196 W., of 3rd September 1886.

Plan C is the drawing No. 2 referred to by Colonel Hasted in his note, and a comparison of the plans will show that the instructions have been carried out.

3. The Superintending Engineer submits a revised estimate and a comparative statement which will be considered in the Public Works Department when the plan and estimate have been approved by the Revenue Department.

15th March 1889. (Signed) W. L. C. BADDELEY, Captain, R.E.,
Under-Secy. to Govt., P.W.D.

Proceedings of the Board of Revenue (Land Revenue), dated 16th July 1888, Mis. No. 4314.

H. S. THOMAS, ESQ., F.L.S., F.Z.S.

Read—the following letter from the Superintending Engineer, III Circle, dated 25th June 1888, No. 606, and the following endorsement thereon by the Collector of Anantapur, dated 5th July 1888, No. 451:—

I have the honor to forward, for your countersignature and transmission to Government for sanction, revised plan and estimate, amounting to Rs. 34,495, for constructing a residence for the Collector at Anantapur.

2. A revised estimate, amounting to Rs. 28,190, was sanctioned for this work in G.O., No. 2196, dated 3rd September 1886. The Chief Engineer on his visit to Anantapur disapproved of the right and left verandahs to the rooms in the upper storey as originally designed and suggested certain alterations. The estimate has been revised in consequence to provide for these alterations.

Submitted to the Secretary to the Commissioners of Land Revenue with revised plan and estimate for transmission to Government.

Resolution—dated 16th July 1888, Mis. No. 4314.

The revised plan and estimate for Rs. 34,495 for constructing a residence for the Collector of Anantapur are submitted for the sanction of Government.

2. It exceeds the estimate sanctioned in G.O., dated 3rd September 1886, No. 2196, by Rs. 6,305; the cause of the increase is stated to be due to certain alterations to the verandahs of the upper storey suggested by the Chief Engineer on his visit to Anantapur, but the nature or extent of the alterations is not detailed.

(A true Copy and Extract.)

(Signed) H. A. SIM,
Acting Secretary.

No. 2682, Revenue.

The revised plan and estimate are approved and will be transferred to the Public Works Department.

OOTACAMUND,
27th April 1889.

(Signed) C. A. GALTON,
Secretary to Government.

Telegram from the Superintending Engineer, III Circle, dated 25th May 1889.

ORDER—dated 6th June 1889, No. 1501 W., Public Works.

The revised estimate, amounting to Rs. 34,246, for constructing a residence for the Collector of Anantapur, is sanctioned in supersession of the estimate of Rs. 28,190 sanctioned in G.O., No. 2196 W., dated 3rd September 1886.

2. This sanction has been registered as Provincial No. 18 W. of 1889-90 and classified as Civil Buildings, Original Works.

Current No. 8558

Letter No. 86

Dated 22nd August 1888

From the Secy: to Govt: Rev: Deptt.

NOTE OF REMARKS.

The revised Estimate under review amounting to Rs 34,495 for constructing a Residence for the Collector of Anantapur is submitted for Sanction in supersession of the Estimate for Rs 28,190 sanctioned in G.O. No 2196 d/ 3rd September 1886.

From a comparison between the Abstract of the Original Est: and that of the revised Estimate the excess under the following heads have been ascertained.

		Diff: Rs
Lower Story Origl Est:	Rs 12,103	3229
—do— Revised —do—	" 15332	
Upper Story Origl Est:	" 6287	2146
—do— do— Revised —do—	" 8433	
Out Buildings Origl Est:	" 1300	6
—do— do— Revised —do—	" 1980	
Dismantling the Existing Collector's Bungalow Origl Est:	" Nil	
—do— do— Revised —do	250	
Sand Compensation Origl E		
—do— Revised		

5

The total Excess is Rs 6305-

From this Office Memo No 3237C d/24th Sept: 1887 it is clear that all that was required to be done was to make the features (1) of the design accord with the elevation as shown on the left half of drawing No 2, (apparently the alternative design and which has not been sanctioned) to construct a cross wall (2) in the staircase room so as to divide it in two, and to construct a (3) landing outside to enable water to be taken up to the bath room &c, these suggestions have apparently been attended to.

In the Board's Proceedings No 4314 Mis: d/16th July 1888 it is stated that the Chief Engineer on his visit to Anantapur his approval of the right & left verandahs to the rooms in the upper story as originally signed and suggested

151

have made in the revised plans, but from a comparison between the two plans the alterations are not of a nature to materially affect the amount of the Estimate.

1501

No comparative statement has been submitted, the Supg Engr may be asked to submit the statement and to furnish an explanation regarding the following high rates charged in the Estimate. &

Concrete - Rs 13 per 100 cft against Rs 12-8 in the Schedule for the Bellary Dt.

2nd Sort Coursed Rubble - Rs 12-8 against Rs 12 per 100 cft

6

1st Sort Coursed Rubble Rs 25 for lower Story and Rs 28 for the upper Story against Rs 17-4 per 100 cft:—

Brickwork - Rs 20 per the lower Storey & Rs 23 for the upper Storey against Rs 18-8 per 100 cft.

Circular Archwork (Coursed rubble in mortar) 1st Sort Rs 32 against Rs 19-.- per 100 cft.-

No rate is given in the Schedule for archwork with brick in mortar but the rate quoted in the Est: viz Rs 27 per 100 cft seems high

Pucka terracing - Rs 34 per Square against Rs 30-

Flooring with Cuddapah Stones on 3" of Concrete Rs 18-8-- per Square against Rs 13-

Wood ceiling 2 coats Rs 2 per Square against Rs 1-6.

If the rates given in the Schedule are adopted a saving of Rs 1450 will be effected in the amount of the Estimate.

As the lower verandah is to have a light lean-to roof it would perhaps be better to have it supported on columns or on square pillars instead of arches which are intended for heavy terraced roofs. The alteration would effect a saving in the Estimate and would make the rooms on the ground floor more lightsome & cheerful

31/8/88-

Dr.

The Rev. Dept have not yet approved the estimate, but have asked by office note to be furnished with information as to the nature of the alteration proposed.

Cpd. suggests that the papers be shown to us here -

31-8-88

No. 3335 C.Y. 3rd Sept 1888

C/

|50|

Concrete - Rs 13 per 100 cft against Rs 12-8 in the schedule of the Bellary Dn-

Coursed Rubble 2nd Sort - Rs 12-8 per 100 cft against Rs 12-

Coursed Rubble 1st Sort - Rs 25 for lower Storey and Rs 28 for upper Storey against Rs 17-4- per 100 cft-

Brickwork - Rs 20 lower Storey and Rs 23 upper Storey against Rs 18-8 per 100 cft.

Circular Archwork - Coursed Rubble 1st Sort - Rs 32 against Rs 19 per 100 cft-

Flooring, with Cuddapah Stone on three inches of Concrete Rs 18 per Square against Rs 13-

Wood ceiling - 2 coats - Rs 2 per Sqr against Rs 1-6-

C. No 8558

Memo 158)

In returning the plans & revised Estimate connected with the proposed residence for the Collector of Anantapur, the undersigned has the honor to request the Supg: Engineer III Circle to be so good as to submit the original plans marked Nos 1 & 2 and a Comparative statement showing the causes of Excess in each case when resubmitting the Estimate for Sanction -

It is observed that several of the rates in the estimate, as noted in the margin, are in excess of the rates in the Schedule for the Bellary Dn and it should be considered whether the Schedule rates can be adopted by which means a saving of Rs 1450 can be effected in the Estimate.

It should also be considered whether a further saving could not be effected by dispensing with the arches in the lower story verandah and substituting square pillars which would be more in keeping with the class of roof adopted.

I much regret having lost sight of the fact that these documents were called for in previous draft.

2/11/88

C. No 11141

Dy. W. [50]

This estimate was returned with letter No 3335 C d/ 3rd Septr/88 to the Supdg Engineer III Circle to consider whether the rates could not be lowered so as to accord with the rates quoted in the Schedule, and if a colonnaded verandah could not be substituted at a less cost for an arcaded verandah in the lower storey.

The Supdg Engr in reply explains 10

1st That as the materials have to be brought from a considerable distance no reduction can be made in the rates.

2nd That the arches had been turned before the receipt of the memo suggesting the alteration, further from calculations made in his office he finds that a colonnaded verandah would cost more than an arcaded verandah and consequently he cannot effect any reduction in the amount of the estimate viz Rs 34.495.

Under the circumstances explained it may be well to accord sanction to the Est:-

From the Supdg: Engr. III Circle

NOTE OF REMARKS.

With reference to the Office Memo No 4494 C d/ 15th November 1888 the Supdg Engr. III Circle resubmits the Comparative Statement about the construction of the Collectors Residence at Anantapur with explanatory remarks as to the causes of Excess —

The Supdg: Engr: also resubmits the tracing and states that it seems to be the only plan which was originally sanctioned for the building.

From a comparison between the Abstract of the Original Est.

and that of the revised Estimate the excesses under the following heads have been ascertained –

	Rs	Diff: + Rs
Lower Story Original Est	20,103	3339
— do — Revd do	23442	
Upper Story Original Est	6287	2037
— do — Revd do	8324	
Sub Buildings Origl Est	1300	680
— do — Revd do	1980	
Drinking well Origl Est	500	– " –
— do — Revd do	500	
Total Excess Rs		6056

The excess is due to modifications ~~made~~ ~~omissions~~ in the Original Est; and to enhanced rates.

The following rates exceed the rates given in the Schedule for the Southern Sub Dn of the Bellary Distt –

1 – Concrete in foundations – Rs 13 per 100 cft against Rs 12-8

2 – Rough Stone in mortar Rs 12-8 per 100 cft against Rs 12 –

3 – Hammer dressed Stone in mortar – Rs 25 per 100 cft against Rs 18-12 –

4 Brick in mortar – Rs 20 per 100 cft against Rs 18 –

5 – Circular Archwork ~~in~~ Coursed rubble in mortar Rs 32 per 100 cft against Rs 27 –

6 – Flat archwork coursed rubble in mortar, Rs 32 per 100 cft against Rs 27 –

7 Flat archwork Brick in mortar, Rs 27 per 100 cft against Rs 19-4-4

8 Ventilators Rs 3/8 per sft against Rs 3-2

9 Tiled roofing with flat and pan tiles with rafters & mortar borders – Rs 20 per 100 Sq ft against Rs 18-6 –

10 Flooring with Cuddapah Slabs on a bed of 3" of Concrete Rs 10-8 per 100 Sqr ft against Rs 10 –

11 Doors half panel & half venetian with frames Rs 1-8 per Sqr foot against Rs 1-4 –

This Comparison is made with the rates given in the Est. for the lower story, the rates for upper story are still higher –

The following lump sum provisions are made in the Est:

Stairs, Exterior	Rs 200
— do — Interior	" 300
Railings, Exterior	" 80
— do — Interior	" 40
Centering & Scaffolding at 2 per cent	" 427
Contingencies at 5%	" 1069
Petty Supervision at 3%	641
~~Demolishing the~~ Bungalow	250
Compensation for land	" 5000

The original Est: amounted to Rs 28,190 and the amount of the revised Est: is Rs 34,246 or Rs 6056 in excess of the original Sanction.

The revised Est: and Comparative Statement are not countersigned by the [illegible]ctor.

No. 1364 C d/5 - March 1889

P. W. Dept.

Memorandum. 8P

Rs 01

With reference to office note from the Revenue Department No: 86 of 22nd August 1888, the undersigned has the honour to forward three plans A B & C of the Collector's residence at Anantapur, and a copy of a Memo 3237C of 24th Sept. 1887, by Colonel Hasted R.E. containing his instructions to the Supdg Engineer III Circle.

Plan A shows the building as constructed and for which the revised estimate of Rs 34,246 has been submitted.

20

Plan B shows the arrangement of the buildings as sanctioned in G.O. 2196 W of 3rd September 1886.

21

Plan C is the drawing No 2 referred to by Col.

Colonel Hastede in his note, and a comparison of the plans will show that the instructions have been carried out.

The Supt Engineer submits a revised estimate, and a comparative statement which will be considered in the P. W. Department when the plan & estimate have been approved by the Revenue Department.

1 Original plan
1 Do abstract Estimate

I have the honor to forward for your Countersignature and transmission to Government for sanction Revised plan and Estimate amounting to Rs 34,495 for constructing a residence for the Collector at Anantapur.

2. A revised Estimate amounting to Rs 28190 was sanctioned for this work in Government Order No: 2196 [illegible]d 3rd September 1886. The Chief Engineer on his visit to Anantapur dis-approved of the right and left verandahs

verandahs to the rooms in the upper story as originally designed and suggested certain alterations. The estimate has been revised in consequence to provide for these alterations.

Submitted to the Secretary to the Commissioners of Land Revenue with revised plan and estimate for transmission to Government.

Resolution:—

The revised plan and estimate for Rs 34,495 for constructing a residence for the Collector of Anantapur are submitted for the sanction of Government.

2. It exceeds the estimate sanctioned in Government Order, dated 3rd September 1886, No. 2196 by Rs 6305 the cause of the increase is stated to be due to certain alterations to the verandahs of the upper-story suggested by the Chief Engineer on his visit to Anant[illegible]ur — but the nature or extent of the alterations [illegible] not detailed.

Note.

The Rents accordingly the rules will be 259 Rs a month, subject to a maximum of 10 per cent of the Salary of the Collector.

This is enormous. How far is the increase due to modification of design (so far as I can see these seem to be very slight) & how far to sub-inaccuracies? If either can be avoided the Estimate should not in my opinion be sanctioned.
