Enclosures.

With reference to your Memorandum No 552 C dated 5th February 1889, I have the honor to state that the delay in Supervisor Vettivelu Pillai being permitted to avail himself of his sick leave, is explained by Executive Engineer as follows:

(1) "When the order came there "was a flood in the Palar River "and I had no overseer avail"able on the Wallajah side."

(2) "When the flood subsided I "was obliged to send what "overseers I had to put up ring "bunds and otherwise see to "breached tanks"

(3)

18

(3.) "When I sent the Sub Overseer
" to take over charge I found
" that the arrears due to
" Maistries and Coolies amounted
" to Rs 200 and the Supervisor
" alone could pay off these arrears".

(4) "The Supervisor had orders early
" in November to hand over
" charge, but at his own request
" was allowed to take time
" in doing so as his health was
" very bad and his office full
" of arrears. When he had worked
" off these arrears he was relieved
" at once and if there was any
" delay it was entirely to suit
" his own convenience."

Permanent promotions *vice* Vettivelu Pillay cannot be made until his pension is passed but a temporary overseer on 60 may be appointed in the interim - The V Circle will be only 1 below strength and perhaps the S.E. could manage for a while without an extra man.

I do not think it is necessary to appoint a temporary man, as his services will be dispensed with as soon as a permanent promotion is made.

S.E. III recommends his transfer. I believe this man has had considerable experience in N. Arcot & might take the place of Vetteivelu Pillai, as soon as the latter is retired from duty. The question of appointing a temp'y man to succeed can be considered afterwards.
It will be necessary to find out whether V. Kuppuswami is medically fit to return to duty in N. Arcot.

To W.

I am of opinion that, unless there are special circumstances in the case to justify the grant of leave in extension, Supervisor C. Vettivalu Pillai should be held to have retired on the date of expiry of the leave granted to him, the medical certificate bearing later date being accepted under section 132, rule 2 of the Civil Pension Code. To make it a practice to grant extension of leave in such cases would be to directly encourage the deliberate overstay of leave and the postponement of appearance before a medical board with a view to securing a rate of pay after virtual retirement in excess of the pension admissible.

2. If the extension of leave is granted, it should be sanctioned by Government.
