SIR,

Enclosures.

With reference to your Memorandum N^o 1543 C dated 23^d March 1887 I have the honor to state that Major Smart R.E. requests that he may be allowed to count the leave in question as casual leave, as an exceptional case.

2. Major Smart informs me that he arranged with Mr. Peters, Executive Engineer in charge of the Bridge Works to have charge of his office during his absence.

3. Major Smart explains that he was under the impression when he asked for ten days Casual leave that it was admissible to officers to that extent. Also that although leave to that extent was not actually

actually necessary for his purposes,
viz - to accompany his wife from
Bombay on arrival from England -
for he could have returned in
seven days - he only actually availed
himself of nine days

4. As Major Smart does not
appear to have had any other
casual leave during the current
year - or since he joined the circle
in the South Arcot Division - in
November 1887. I would recom-
mend that his application be
acceded to.
