GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

READ—the following Proceedings of the Board of Revenue (Land Revenue), dated 16th March 1889, Mis. No. 1590 :—

W. S. WHITESIDE, Esq.
THE HON. J. GROSE, M.A.

Read—the following letter from W. A. HAPPELL, Esq., Collector of Godávári, to the Secretary to the Commissioners of Land Revenue, dated Cocanada, 23rd February 1889, No. 78 :—

In enclosing a letter from the Chairman of the local European Chamber of Commerce, dated 14th February 1888, I have the honor to state that it is very desirable for the Collector's office to have telephonic communication with—

- (1) the Madras Bank,
- (2) the Port and Sea Custom offices,
- (3) the Deputy Tahsildar's and Town Magistrate's offices, and
- (4) the Local Fund Engineer's office.

2. The central exchange will be at the Telegraph office and it is necessary that the Collector's office should be connected with it. As the bank will connect itself with the central exchange, no expense need be incurred by Government for that purpose. The Port and Sea Custom offices may be connected with the central exchange, and the expense on this account borne by Government and by Port funds in equal shares. As it is under contemplation to build the Town Magistrate's office within the premises of the Deputy Tahsildar's office, a single connecting link between the Deputy Tahsildar's office and the central exchange will suffice. The expense for connecting the Local Fund Engineer's office with the central exchange should be borne by the Local Fund Department.

3. The distances from the central office are as follow :—

	Yards.
Collector's office	2,618
Sea Custom and Port offices	1,155
Deputy Tahsildar's and Town Magistrate's offices	616
Local Fund Engineer's office	2,388
The Bank	1,952

4. I, therefore, request that the inclusion in the telephonic system of the offices mentioned above may be recommended to Government for sanction.

Resolution—dated 16th March 1889, Mis. No. 1590.

The Collector's application will be submitted to Government for their orders. The Board doubt whether the convenience to the Collector's establishment would be

13TH MAY 1889, No. 380, REVENUE.

such as to justify the outlay ; but, as it would seem that, unless the Government sanction the erection of the telephones in their offices, its introduction into Cocanada is not likely to be possible, the matter will be laid before them for consideration.

(A true Copy and Extract.)

(Signed) M. HAMMICK,
Secretary.

To the Secretary to Government, Revenue Department,
with Collector's letter and its one enclosure, in original, to be returned.
Copy to the Collector of Godavari.

ORDER—dated 13th May 1889, No. 380, Revenue.

Miscellaneous.

The Collector's proposals are approved and sanctioned.
