Orders declining to sanction an — of six months' pay to Devasigamony Mudaliar, 2nd clerk, office of Superintending Engineer, IV Circle.

Colonel A. Smith R.E.
Superintending Engineer
IV Circle

Sir,
15th

I beg leave to request you will be good enough to obtain the sanction of Government for an advance of 6 months' pay under appendix K to the P.W. Code-Rules regarding advances to officers, who desire to build houses at places where none are available or where house rent is dear.

I need not mention that much difficulty is experienced in this place to secure suitable houses at any thing like fair rent. After waiting for a considerable time if one succeeds in securing a suitable house

A. Smith R.E.
Sup. Engineer, IV Circle.

house at a very high rent, even then,
there is very little chance of the
tenant being left undisturbed.
He will be asked to vacate the
house at short intervals.

In fact, during a period of
within a year I had to change three
houses not on my own accord, but
in deference to the wishes of the
land lords.

The local college and
several high schools have drawn
many youths of the distant places
as this town is considered the best
Sanitarium for natives in Southern
India and this has in a great measure
rendered it very difficult if not
impossible to get suitable accom-
modation for strangers who happen
to be transferred to this place.

I therefore request you will
be

be good enough to specially
recommend the application for
the favorable consideration of
Government.

Yours
I beg to remain
Sir

Yours most obedt. humble

App. K. should be restricted to
cases where similar to them for
which the military rules were
framed viz. new circumstances.
The title. There is no more
known for giving them advance
to be subordinate than to
others, and they should be
restricted to the same
limits. They certainly
should not in any opinion
be applied to a place like
Coimbatore. Refused.

May the advance be sanctioned? It might form an inconvenient precedent. S. E. were-ly says that house rent at Coimbatore is comparatively dear. That might be said of many stations.

I think the advance should be sanctioned. The Clerk states that he has been obliged to change houses three times within one year - Provided the advances are ^{necessary} bona fide, there can be no objection to the application of the rules.
