OFFICE OF THE SUPERINTENDING ENGINEER,
6TH CIRCLE.

Trichinopoly 21 May 1889
Recd 22^d.

No. 73 RN
From W. Hughes Esq.
The Superintending Engineer,
6th Circle.

To
The Chief Engineer
P. W. D.

Enc. Sir,
sent to Mr.
the 22/5
ENCLOSURES.

with reference to your No. $\frac{2086c}{30-4-89}$
I have the honor to report that as already
reported in my No. $\frac{68 RN}{16-5-89}$ supervisor
Mr. J. M. Taylor has been transferred from
Madura to the Ramnad Dⁿ to the
charge of a sub-division. This sub Dⁿ
will be called the "Kannur sub-Dⁿ"
comprising the Taluqs of Thimachuli,
Kannur & Muttukolatur.

2. There is but little work now
in the Thimachuli Taluq. The Muttukolatur Taluq will for P. W. D. purposes
be held to include the Uthragosaman-
gai village with a view, as has hitherto

been the case, to include the large
work "Improvements to Kalaraj
tank" in the charge of the Indu-
-kolatur tank overseer. The Kthra
-soramangai Village & the Kalaraj
tank are really in the Ramnad
Tank but were transferred long
ago to Indukolatur Tank overseer
owing to the heavy work in the
Ramnad Tank and light work
in Indukolatur Tank.

3. The sub. Div. officers
head quarters will be at Hamm-
-thi which is a pretty central place.

I have the honor to be
Sir

Yours most obedt servt

W. H. H. H.,
Supt. Engineer, Madras
