Sir,

I have the honor to request that you will be good enough to inform me whether it is binding on the officers of this Department to furnish Contractors with Copies of their Contract bond.

2 It is understood that Contractors in a Court of Law, try to excuse themselves from penalties for failure to abide by the conditions of the Contract on the ground that they had not been furnished with a copy of the Contract agreement.

Submitted to the Secretary to Government P. W. Department for the orders of Government.

2. It appears reasonable that a copy of this agreement should be given to a Contractor, but it seems improbable that the failure to do so can in any way relieve a contractor from his obligations.
