12TH JUNE 1889, No. 1561 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.  
PUBLIC WORKS DEPARTMENT.

General.  
Account.

READ—the following paper:—

From R. B. BUCKLEY, Esq., Under-Secretary to the Government of India, Public Works Department (Civil Works—Buildings), to the Secretary to the Government of Madras, Public Works Department, dated Simla, 22nd May 1889, No. 187 B.

I am directed to acknowledge the receipt of your letter No. 875 W., dated the 23rd March 1889, recommending that no rent should be charged to the officers and subordinates employed on the Periyár irrigation project who occupy Government quarters provided for them on the works.

This recommendation is made on the ground that the officers are compelled to work at a distance from their head-quarters and under very arduous circumstances.

I am, however, to point out that the case of the Periyár construction works is neither new nor unusual. It is the general practice that rent should be charged to officers engaged on the construction of railways and canals when occupying temporary quarters; and it should not be forgotten that special locality allowances are granted for Periyár which are intended to be a compensation for the inconveniences referred to in the letter under reply.

2. The Government of India considers, however, that a slight modification of the existing rules in the direction advocated by the Madras Government may reasonably be made in favor of officials drawing salaries of Rs. 25 and under.

3. I am therefore to communicate the following orders of the Government of India on the subject:—

- (a) All officers drawing salaries over Rs. 25 per mensem must pay rent for the period during which they actually occupy the buildings, the rate of rental being calculated under the rules in force.
- (b) The Government of Madras is authorized to exempt all men drawing less than Rs. 25 per mensem from the payment of rent, at its discretion.
- (c) Temporary men should be engaged on salaries which will take into consideration the rent for the quarters occupied, and, if necessary, the salaries of those who have been engaged on a different understanding should be adjusted accordingly.

4. A Resolution supplementary to Resolution No. 479 B. of 7th September 1888 will shortly issue with reference to the rents chargeable to officers drawing Rs. 100 a month or less.

ORDER—dated 12th June 1889, No. 1561 W., Public Works.

Communicated to the Superintending Engineer, Periyár project, with reference to G.O., No. 874 W., dated 23rd March 1889.

2. All men drawing salaries of Rs. 25 and under will be exempt from the payment of rent.

3. The Superintending Engineer will report what modifications of salaries are necessary under para. 3, clause (c) of the orders of the Government of India.
