12TH JUNE 1889, No. 1564 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

READ—the following papers:—

Note by the Acting Chief Engineer, Public Works Department, dated 25th April 1889,
No. 2011 C.
Letter from the Superintending Engineer, I Circle, dated 6th May 1889, No. 168 G.N.

Proceedings of the Court of Wards, dated 23rd May 1889, No. 1201.

THE HON. J. GROSE, M.A.

Read—letter from the Superintending Engineer, I Circle, to the Collector of Ganjam,
dated 4th December 1888, No. 874 G.N.

I have the honor to forward herewith the estimates, amounting in the aggregate to Rs. 5,510, prepared by the Ganjam Division officer and approved by you for the survey establishment required for drawing up estimates for works in the various estates of the Ganjam district, and to state that the establishment as estimated for will in my opinion give but unsatisfactory results and need greater supervision than can be extended to them. There are many officers of the upper executive establishment of the Public Works Department who have been from time to time thrown out of employ in the reductions in Orissa and Bengal who will be better able to frame the necessary estimates, &c., with accuracy and at the same time become responsible for the correctness of their work. I therefore suggest the advisability of your applying to the Court of Wards to sanction a lump sum of Rs. 5,500 (which is the amount for the present estimates), which of course will be met from the existing grant of the current year of the estates. In the meantime I shall advertise in the *Calcutta Gazette* and Engineering papers, &c., for an Assistant Engineer to take up the works on contract. Any Engineer who may be without employment in Bengal or Orissa will, I doubt not, gladly take up the work. The amount will be charged proportionately to each estate according to the work done by the Assistant Engineer for each estate.

Read—also endorsement thereon by the Collector of Ganjam, dated 17th December 1888, No. 6230.

Copy submitted, with enclosures, to the Court of Wards for sanction.

Reference thereon, dated 4th February 1889.

The proposals of the Superintending Engineer are not understood. Under the existing arrangement, the Department of Public Works is entirely responsible for the conduct of all engineering works in the estates of the Court of Wards in Ganjam, and if the Superintending Engineer desires to entertain any special establishment for the purpose, he is of course at liberty to do so under the orders of the Government in the Public Works Department. The Court have nothing to do with the matter. If, on the other hand, the Engineer desires to entertain a special establishment and place it directly under the Court, his proposal amounts to an entire change of system; and, before sanctioning it, the Court should have before them a full report on the matter

from the Collector after the receipt of which they can, if they think fit, address the Chief Engineer. The Collector is requested to report further on the matter.

(Signed) M. HAMMICK,
Secretary.

Read—the following letter from the Superintending Engineer, I Circle, to the Collector of Ganjam, dated 15th March 1889, No. 1231 G.N.

With reference to your letter No. 1060, dated 23rd February 1889, and its enclosure, I have the honor to state that the 23 per cent. allowed by Government is intended to meet the cost of supervision by the Public Works Department when the works are being carried out, whereas the estimate under reference is for the establishment required for the preparation of estimates, &c. (preliminary expenses), which will be treated as a work (please see para. 186 of Public Works Code) and cannot be met from the 23 per cent.

2. The estimate in question will be charged to the several estates proportionately according to the amount of estimates drawn up for each.

Read—also the following endorsement thereon from the Collector of Ganjam, dated 31st March 1889, No. 2175.

Copy submitted to the Court of Wards with reference to their reference on C.W. Register No. 3328 of 1888. The estimates are herewith retransmitted.

Read—also Proceedings of the Madras Government, dated 15th April 1889, No. 2138.

Resolution—dated 23rd May 1889, No. 1201.

A lump sum of Rs. 5,500 applied for for the preparation of estimates, &c., for certain estate works in Ganjam is sanctioned.

2. For the reasons stated by the Superintending Engineer in his letter embodied in the first of the papers read above, the Court approve his proposal to entrust the work to an officer of the grade of Assistant Engineer.

3. The following telegram will be despatched to the Collector of Ganjam:—
“Your endorsement 17th December last, 6230. Rs. 5,500 sanctioned. Superintending Engineer’s proposal to entrust work to Assistant Engineer approved.”
(True Copies and Extract.)

(Signed) M. HAMMICK,
Secretary.

ORDER—dated 12th June 1889, No. 1564 W., Public Works.
The foregoing Resolution of the Board of Revenue will be communicated to the Superintending Engineer, I Circle, with reference to his No. 168 G.N., dated 6th May 1889.

(Signed) (True Extract.)

THE CHIEF ENGINEER

PUBLIC WORKS DEPARTMENT.

DOWLAISHWERAM,

6th May 1889

SIR,

With reference to your memo-
randum no 2011C dated the 25th April 1889,
I have the honor to inform you that
Estimates amounting in the aggregate to
Rs. 5510 for the Survey Establishment
required for drawing up estimates for
works in the various estates of the
Ganjam Division were forwarded
to the Collector of Ganjam on the 4th
December 1888 for the sanction of the
Court of Wards

2. In his letter no 1060 dated 23-2-89
with which he furnished to this office
Copy of the Proceedings of the Court of
Wards

NO. *168*

ENCLOSURES

SUBJECT.

Reporting that the estimates for setting establishment required for drawing up estimates for works in the various States in Ganga District have not been returned sanctioned from the Collector yet.

No. 204C of 25 April 1889 P.W.D.

Memo

1564

Application from Mr. J. W. de Groot of 11 March 1889 praying to be favoured with any suitable appointment on Irrigation Works in Ganga.

Note by the Ag. Chief Engineer P.W.D.

When I was Superintending Engineer in the 1st Circle estimates were submitted by the Executive Engineer Ganga Division for temporary establishment for preparing estimates plans &c. for the repairs of works in the Wards Estates in that District. The estimate amounted to Rs. 5000, but knowing how unsatisfactory the work turned out by temporary subordinates would be and that the Ex. Engineer could not control satisfactorily the movements of

W of such an additional
E host of temporary men,
I proposed to the Collector
for suggestion to the Court
of Wards that the services
of some experienced Apt.
3 Engineers now out of em-
2 ploy or retired might
be obtained who would
take up the work on Con-
suet as if a person of
experience and former
good character he would
be interested in doing
good work and not scamp-
ing it. Perhaps this
proposal of mine has
reached Mr. de Baugher's
ears - I do not know
how the Subg. Engr and
Collector have disposed
of it. The former might
be referred to.

Copy of the foregoing note
forwarded to the Subg. Engr.
I Circle for favor of early
report whether any and
what action was taken
in the matter and with
what result.

Proceedings of the Court of Wards.

Dated 23rd May 1889.

No. 1201

The Hon. J. Grose M. A.

READ Letter from the Superintending Engineer 1st Circle
to the collector Ganjam District dated 4th December
1888 No 874 Gk.

I have the honor to forward herewith the esti-
mates, amounting in the aggregate to Rs 5510
prepared by the Ganjam Division officer and
approved by you for the Survey Establishment
required for drawing up estimates for works in
the various Estates of the Ganjam District and
to state that the Establishment as estimated for
will in my opinion give satisfactory results
and need greater supervision than can be
extended to them. There are many officers of the
Upper Executive Establishment of the D. P. W.
who have been from time to time thrown out of
Employ in the reductions in Orissa and Bengal
who will be better able to frame the necessary
estimates.

W. of estimates &c. with accuracy and at the same
E. h time become responsible for the correctness
S. of their work. I therefore suggest the advisability
of your applying to the Court of wards to sanction
of a lump sum of Rs 5500 (which is the amount
3 of for the present estimates) which of course will
be met from the existing grant of the current
year of the Estates. In the meantime I shall
advertise in the Calcutta Gazette and
Engineering papers &c. for an Assistant
Engineer to take up the works on contract.
Any Engineer who may be without employ-
ment in Bengal will I doubt not
gladly take up the work. The amount will
be charged proportionately to each estate
according to the work done by the Assistant
Engineer for each estate.

Read also endorsement thereon by the Collector
of Ganjam dated 17th December 1888 no 6230.

"Copy submitted with enclosures to the
Court of wards for sanction"

Reference thereon dated 4-2-'89.

The proposals of the Supt Engineer are
not understood. Under the existing arrange-
ment, the Department of Public Works is entirely
responsible for the conduct of all engineering
works.

works in the Estates of the Court of wards in Ganjam
and if the Supt Engineer desires to entertain any
special establishment for the purpose, he is of course at
liberty to do so, under the orders of the Government
in the Public Works Dept. The Court have nothing to
do with the matter. If on the other hand the Engineer
desires to entertain a special establishment and
place it directly under the Court his proposal amounts
to an entire change of system. & before sanctioning
it the Court should have before them a full report
on the matter from the Collector after the receipt of
which they can if they think fit address the Chief
Engineers. The Collector is requested to report further
on the matter.
