SIR,

Adverting to Board's reference on general
Register No. 2820 dated 27th current, I have
the honor to state that the consent of the
Public Works Department was taken already
as per para 3 of my letter No. 699 dated
23rd October 1887 read in B.P. No. 4310
to 11-87

2. It seems unnecessary to consult
again about the advisability of repairing
the building when they do not at all require
the building itself nor is it practically
of any use.

Acting Head Assistant Collector of
Anantapur.

To,

The Collector of
Anantapur.

Sir,

I have the honor to state that owing
to the recent rains, the northern wall of
the old Taluk Cutcherry building, at
Punakonda has fallen down to a
great extent and that the remaining
portion of it being cracked is also in
a precarious condition.

2. This building was on an application
from the Local Taluk Board permitted
to be used as a Local Fund School,
but it was ^{not} utilized as such owing
to its dilapidated condition and to
its position in the middle of the
main street. Subsequently the Union
Panchayat were allowed to use it
for

Rev. 268789

for their office, but they did not do so as they thought it would cost them a heavy sum to render the building fit for occupation.

3. The present state of the building is such that it either requires to be immediately repaired at a cost of Rs 300 or thereabouts, which I doubt recommend being that the building is practically of no use, or that a portion of it should be pulled down at no small expense so that it may not be dangerous to those living in its vicinity. As this latter course does not also commend itself to me, I have the honor to recommend that it be sold by public auction. It is said that the building with its site is likely to fetch about Rs 500.

I have the honor to be,
Sir,

Yours most obedt. Servt.
