To,

A. B. Todd Esquire,

1576 Executive Engineer,

Kistna Western D=

The humble representation of

K. Srinivasulu Pillai, Clerk,

Kistna Western Division Office.

Most honored Sir,

With reference to the Examiner's letter No= 646 S.E 2=, dated 6-11-88 ordering the recovery from me of the difference between the amount paid to me by the High Court and that allowed by him under the Civil Travelling Allowance Code rules as travelling allowance for my attending the High Court as witness during the recent Salt case, I most humbly beg to represent that I have since learnt that the special sanction of Government was obtained in the Salt department to allow the officers of that depart=ment to take the whole of the amoun. paid to them by the High Court on the ground that the allowances admissible under the Civil Travelling allowance

Rev. 229/89

allowance code are not sufficient to meet the expenses in a big city like Madras. I request, therefore, that similar sanction may be obtained in my case also and the orders for retrenchment stopped.

Had it not been that I spent even more than what I have got from the High Court, I would not have troubled your honor so much.

In the Salt department even a lascar got daily batta at 4 annas as passed by the High Court. If I am also to get the same against Rs.0-14-0 allowed by the High Court, how hard it would be for a poor man like myself, I need not explain to your honor.

Under the circumstances, I trust that your honor will be pleased to obtain the sanction of Government to allow me as well as the other members of this division who went along with me as witnesses to take the whole of the money paid us by the High Court in consideration of the costly living at Madras.

For which act of kindness, I shall as in duty bound ever pray.

I beg &c

14-1-89
(Duggirala)

No. 122.P. 1576

Forwarded to the Supdg. Engineer II circle, with a request that he will be so good as to move Government to allow K. Srinivasulu Pillai and G. Sambhuprasad to retain the amounts passed to them by the High Court as a special case, inasmuch as the indulgence appears to have been granted to the members of the Salt department who attended the trial.

I may mention that the two individuals above named were put to much inconvenience by having to travel to Madras and had to go much against their wills. Appended is a statement of the amounts passed by the High Court and by the Examiner, P.W. Accounts. The Examiner directs that the difference between what was passed by the High Court, and what he has audited is to be refunded - This, I think, is rather

rather hard as the men have spent the money.

Sir

With reference to Proceedings of the Board of Revenue (Separate Revenue) No. 844, dated the 30th April 1888, I have the honor to state that, in my opinion, the Assistant Inspector is not entitled to daily allowance for the 5 days spent at Guntur in addition to the 15 days for which batta was paid to him by the Court, for, had he been there on ordinary duty he would have received batta for the first ten days only if the halt at Guntur.

Resolution

The Board beg to report that no special sanction of Government has been obtained for the retention by the officers of the Salt and Abkari Department who attended the High Court as witnesses in the recent Ex-parte Fraud? Cases, of the batta granted to them by the High Court as stated in the petition referred to. From the audit Registers maintained in this office it appears that an Assistant

5 Inspector

Inspector refunded the batta obtained from the Court which was less than that to which he was entitled under the rules of the Travelling Allowance Code and drew Travelling allowance from the Department.

2. A copy of the Accountant Generals' letter No. 1325 dated 10th May 1888 received in reply to a reference made by this office in this connection is forwarded for the information of Government.

Sir,

In reply to your letter No 1109 dated the 8th April 1889, I am directed to say that under Section 46 of the Civil Travelling Allowance Code it is optional for an Officer, Summoned to give evidence of facts which have come to his knowledge, or of matters with which he has had to deal in his public capacity, either (a) in a Criminal Case (including a Case before a Court Martial) or (b) in a Civil

7 7 Case

case to which Government is a party, either to retain the allowances given to him by the Court, or to draw travelling allowance under the rules in Chapter IV. The interpretation given to the rule in your Office, is, therefore, correct.

Endorsement of the Public Works Dept. No: 271 D. dt 4 June 89

Dated 7 June 1889. No: 174 R.

Retransferred to the Public works department with remark that the ruling seems quite clear. The officers can retain the sum allowed by the High Court, but in that case will draw no travelling allowance in the Public works Department or in any other Department. Section 1296 of the Civil Service Regulations does not apply because no travelling allowance is drawn.
