17TH JUNE 1889, No. 1581 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Establishment.

1581

READ—the following papers:—

From J. E. PAUL, Esq., Executive Engineer, in charge I Circle, to the Chief Engineer, Public Works Department, dated Dowlaisweram, 18th March 1889, No. 1240 G.N.

I have the honor to request you will be good enough to obtain the sanction of Government authorizing the Examiner to pass charge allowance at Rs. 90 per mensem to Sub-Engineer S. Venkataramanayya Pantulu from 27th November 1888 to 18th December 1888, during which period he held the charge of the Ganjam division, in accordance with the orders contained in your telegram, dated 14th November 1888.

2. It is presumed that the Sub-Engineer is entitled to the above allowance under section 8 of the Pay and Acting Allowance Code.

Office note from the Examiner, Public Works Accounts, dated 11th April 1889, No. 469.

On the understanding that Sub-Engineer S. Venkataramanayya Pantulu was relieved of his own charge, the case comes under Code para. 457, and temporary promotion having been made in the place of the absentee (S. Subroyachariar), there is no vacancy in which the Sub-Engineer can be gazetted to act, but if he held charge of the division in addition to his own duties, he being an upper subordinate would be entitled to charge allowance under G.O., No. 1671 W., dated 15th June 1883, irrespective of any vacancy existing in the class of Executive Engineers.

2. It might save a good many useless references if the attention of Superintending Engineers was called to the rule contained in Code para. 457 and they were reminded that when a promotion has been made in the place of the absentee, his temporary *locum tenens* cannot be gazetted to act or hold charge under section 8, Pay and Acting Allowance Code. Gazette notifications should then be made to show in whose place a promotion is made to enable Superintending Engineers to ascertain the facts.

3. Please obtain orders of Government as to whether G.O., No. 1671 W., dated 15th June 1883, may be codified.

Memorandum to the Superintending Engineer, I Circle, dated 26th April 1889, No. 2053 C.

From the Executive Engineer, Ganjam Division, to the Superintending Engineer, I Circle, dated Berhampore, 15th May 1889, No. 71 S.E.

In reply to your letter No. 172 G.N., dated 13th May 1889, I have the honor to state that Sub-Engineer S. Venkataramanayya Pantulu held charge of the Ganjam division from the afternoon of 26th November 1888 to forenoon of the 19th December 1888 in addition to his ordinary duties.

No. 273 G.N.

Copy submitted to the Chief Engineer, Public Works Department, for information, with reference to his memorandum No. 2053 C., dated 26th April 1889.

ORDER—dated 17th June 1889, No. 1581 W., Public Works.

The Examiner is authorised to pass charge allowance to Sub-Engineer S. Venkataramanayya Pantulu for the period he held charge of the Ganjam division in addition to his ordinary duties.

2. In future, Gazette notifications will show in whose place promotions on the Engineer establishment are made, and this will serve as a guide to Superintending Engineers with reference to para. 457 of the Public Works Code to which their attention is drawn.

3. The ruling in G.O., No. 1671 W., dated 15th June 1883, should be codified.
