Colonel Vibart has asked me to alter the intifⁿ in the Gazette, posting him to IV side. He considers that he should be transferred from the I to IV side. I have told him that under the rules he took his leave on his prob on S.E. as soon as he went on special leave, but if course he retains his lien on his establishment. *app^r of S.E.*

If transferred (at the Prob expense) he would be saved the expense of travelling to Comptrolr, but under the rules he is on subsisting leave until he takes charge of Comptrolr. At Col Vibart's request I have sent the matter to you for orders, which might be communicated direct to him.

To W.

In my opinion the exact terms of the gazette notification are not of any consequence. Col. Vibart's case is governed by the rules of the Civil Leave Code and the Civil Travelling Allowance Code. His lien on his appointment is governed by sections 56 and 62 of the Civil Leave Code, that is to say, he has a lien on his substantive appointment or on a similar appointment of a like character and not less pay, but he has no lien on any particular post. Under section 37(b) of the Civil Travelling Allowance

1585
 Code, he is not entitled to any travelling allowance for joining his appointment and under section 165, rule 13 of Civil Leave Code he draws pay at subsidiary leave rate only until he joins his new appointment. If Col. Vibart were gazetted as "transferred" to the 4th circle, his position, relating ^{only} to the rules referred to above, would not be in the slightest degree altered; but the notification would be slightly incorrect, and perhaps misleading.

Sir,

With reference to Office Note
from the Examiner, P.W. accounts
No. 697 of 21st May 1889, received 2
days ago, I have the honor to state
that the circumstances connected
with my appointment to Coimbatore
are peculiar, and that I am entitled
to be considered as having a lien
on my appointment at Madras.
The Government can give authority
for this if they wish. In May 1889

No. 115 Day 6-5-89

I was transferred from Bellary to Madras in place of Colonel Burton who went on leave for 18 months. When Colonel Burton (my junior in the Department) was about to return to India, I was informed by Colonel Hasted that Colonel Burton would come back to Madras and that I would have to go to Coimbatore. I remonstrated against my removal, and informed him that I had no wish to leave the Madras Circle. Notwithstanding my remonstrances, which was, I venture to think, deserving of more consideration, Colonel Burton was reposted to Madras, altho! he had no kin on the spot. I meantime applied for 6 months special leave and went home just before Colonel Burton arrived. Considering the state of the case, as stated above, I surely should be considered as having been

1565
been transferred from Madras to Coimbatore; otherwise I shall be put to considerable expense, because I (the Senior Superintending Engineer of the Department) have been transferred from one post to another contrary to my expressed wish. The principle laid down as far as I understand by the Government is that when an officer is not transferred at his own request, the transaction will be considered a "transfer," and he will be entitled to his travelling allowance from one post to the other.

2. This being the case I beg to request that I may be considered to have joined my post at Madras, that my travelling expenses from Madras to Coimbatore may be passed. Even in that case I shall suffer considerably in a pecuniary point of view; but if I am not to draw my pay as
10 Superintending

Superintending Engineer, 1st Class
till I took over at Coimbatore,
I shall undergo a further loss of
between 3 & 400 rupees.

3. I beg to request in conclusion
that this letter may be referred
to the Government for orders.

I beg to remain,

Sir,

Your most obedient servant

W.C.

His appointment in the Gradation list
was S.E. 1st Cl. - He has a lien
on any particular post. - Col. Vibart left
India on special leave for 6 mths. for his own
convenience, and afterwards vacated his post
as S.E. 1st Circle. He was engaged as
appointed to the 1st Circle before his arrival
in India. - This was done also in my
case. I returned from India on 8 June
1888 at Bombay, and on my arrival in
India at Madras I reported my-
self that I was posted to the 1st Circle.
I had to pay my way from Bombay
to Coimbatore, and my draw paid
all ex. up to date of assuming charge of
the Circle on the 20 June - The prov.
duty of Col. Vibart's case has
been exactly similar.
