The Executive Engineer
Western Dist. District.

Let

With reference to your No 2290 of 1st Inst. I have the honor to inform you that most of the houses of Napattu are thatched (Paluyra) ones which are not at all suitable for keeping the aluyra, owing to the size to which they are built and to the roof they contain. These paluyra sheds are being hired up to Rs 2/- and more in cases of emergency.

2. A spare tiled house is not at all available even at a higher rent at Bafatto

3. The always a rather things belonging to the Sub 4ⁿ were put in a part of the tiled house, partly occupied by the owner with great difficulty at the said rent.

4. The only alternative is to get permission of the Local Land Department to occupy

part of the Travellers bungalow at the rate
fixed by them.

I have the honor to be

Sir
