The Est. for Rs 2210 for constructing
a 3000 ft. wall for the boundary of the
in this great lines at Bangalore appears
to be too low.

The exception taken to the Est.
for the construction of 3,000 ft. wall
for stacking grass for the horses
of the 5/12 Troop of Artillery at
Bellary was on account of the
work being carried out
in anticipation of sanction
and without the approval
of H.H. the Commander in Chief
under G.O. S. letter no 431 of 12
of 24 of May 1888, but when
the Government sanction was given
the work was carried out
was explained the Govt. sanction
permitted the cost to be
paid from State funds under G.O.
no 3356 of 22 of Feb. 1889.

There are no such objections
to this work as the Est. was
prepared by the sanctioning
the Government with the Govt.
in its office to be approved for
them, hence the delay. 13/5/89
