No 908.P.R.

Letter from C. B. Target Engineer,
Executive Engineer, to 1 Penjar Division,
to the Superintending Engineer,
Penjar Project, dated Madras,
20 May 1889, No 1100 P.P.

I have the honor to forward for
information a receipt for Rs 20/-
paid by Mr B. J. Matthews for
house rent for the month of April 1889
and to request to be informed whether
Mr Matthews may be reimbursed
the amount and if so how it is
to be accounted for.

/ Copy /

Submitted for the consideration
and orders of Government.

2 In Mr Matthews agreement
printed with G.O. No 2478 of 14th
August last it is not stated that
he

he is entitled to free quarters in addition to his salary but I think this must have been an oversight for it is quite certain that it was understood both by Mr. Matthews and myself that he would be so entitled, it was certainly so stated at the interview which I had with him at Messrs. Schreurs office and I am under the impression (though I cannot speak so positively on this point) that it was mentioned in my reference to the India office on the subject.

3 During the working season on the hills a house is provided for him, so that the question of compensation only refers to the periods of suspension of work, which will probably not amount to more than four periods of three months each or twelve months altogether.

4. The rent of Rs 20 actually paid

paid by Mr. Matthews appears reasonable and I recommend that its refund be authorized as a charge against the work.

5 An estimate to cover the cost can be sanctioned by me from the provision for repairs to buildings in the estimate for the Head Works.

To W.

There is nothing in Mr. Mathews' agreement to entitle him to free quarters or to compensation in lieu thereof. Sanction of the Government of India will therefore be necessary for the payment of compensation in lieu of quarters.

There is nothing in Mr. Mathews' Agreement which gives him a claim to free quarters or to compensation in lieu thereof, and in the circumstances the Govt. is not prepared to apply for the special sanction of the Govt. of India which would be necessary.
