Under Code para 1097,
Executive Engineers before
submitting to Superintending
Engineers any proposals,
Estimates, Drawings &c
connected with Military
works, should invariably
submit them to the regimental
or departmental officers
concerned as well as to the
Commanding officer, and
obtain their counter-signature
and opinions, for transmission
with the papers under
despatch. On receipt of
the above papers, Capt
Engineers should sanction
the estimates if within
their power, and if not
should under para 1089
forward them for
approval to the General
officer commanding the
Division or District who
will transmit them
to

to the Quarter Master
General for submission
to Govt in the Military
Department after
obtaining the approval
of H.E. the Commander
in Chief. In the present
instance the Executive
Engineer, Presidency
Dt., may have under
para 1097 submitted
the estimate to the
Regimental officer
who instead of returning
it to the Exec Engineer
may have sent it
direct to the higher
authorities.

Submitted
for orders.

May 19/6.

Since writing the above I have
enquired of the procedure in the
S. E.'s office and I hear that
the fault is not in the S. E.'s
office.

It very frequently happens
that plans and Estimates for
the President's office are
submitted for sanction
without being passed
by the Supy: Engr.
thereby causing unnecessary
delay as they have
to be sent from the

20 - Attention is drawn
to the fact that Estimates
for military works are
sometimes received in the
Office ^{of the Chief Engineer} without the counters
signature of the Superin-
tending Engineer.
