this before sending a
if necessary correct

W

Now - have ascertained
from C.A.'s office that after
completion of the improvement
to the present for the Press building
they handed over the
buildings to the Presidency
division - that any additional
work should be done by the
division - the work has been
altered accordingly

Public Works Department.

Current No. 662
Letter No. Nil
Dated 22nd Jan 1889
From the Public Department

NOTE OF REMARKS.

The estimate under
review amounting
to Rs 1000 provides
for four ventilators
to be put up in
the Park Dept. of
the Govt. Press at
Madrass.

The estimate
is not signed
by any of the
Public Works
Officers and it
is not clear whether
the Est. was framed
by the Consulting
Architects Division
or the Engineering
Division presumably
by the former.

1688
it seems therefore we
sent to that office
for signature & for
the submission of
a specification and
report -

The est. has not
been counter-signed
by Mr. Dept. of the
Govt. Press but it
has been submitted

by Mr. D. Govt. & approved by Govt. in the Public Dept.

The rates as far
as can be checked
are fair -

SUPERINTENDING ENGINEER'S OFFICE,

V CIRCLE, MADRAS,

Chennai, 20 June 1899.

No 1956

From Colonel W. H. Burton M.B.

SUPERINTENDING ENGINEER,

V CIRCLE,

To

THE Chief Engineer
P. W. Department.

Enclosures

SIR,

With reference to your Reminder N. 461/c
dated 17. June 1899 regarding provision of
Ventilators in the Book Department of the
Government Press, I have the honor to state
that on Examination of the building the roof
timber (galvanized plates and rafters) have
been found to be quite rotten. It is necessary
that the roof should be renewed. And also
- make for this to include provision for a
continuous ridge in the usual style &c.
has been called for from the Executive Engineer.

I have the honor to be

Sir,

Your Most Obedt. Servt.

W. H. Burton Esq.

Chief Engineer of Circle
