Madras. June 18th 1889

The Chief Engineer.

& Secretary to Government

- Public Works Department

Chotumund

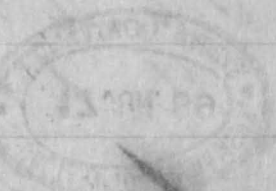

Sir.

We have the honor to bring
to your notice certain statements
published in a leading article of
the Madras Mail dated 13th inst.
and also an address from the
inhabitants of Gujjanur & His
Highway the Governor relative to the
Gopandora Pinn. where it is stated
"that the Pinn has been made of"
"bad material"

We have the honor to request
that you may be furnished with

a letter from the Department
of Public Works stating that the
material supplied was of the
specified size and good quality
to make us to report the statements
which throw doubts upon
ourself as Contractors, and the
Government Engineers who from
time to time passed the material.

With reference to the quality of
the material used we have given
copy of tests of the same, with
makers names. The original
is in our possession, and a
copy was forwarded to the
Department of Public Works in
the early part of 1886.

Yours, the honor etc
Sir
